Dear Colleague,

Join me and your colleagues in internal medicine at the 2019 scientific meeting of the Georgia Chapter of the American College of Physicians, being held October 25–27, at Château Élan Winery & Resort.

The meeting is a great way for you to recharge, and reflect with your peers, chapter leaders, and great faculty. Connect with the Georgia Chapter's rich source of knowledge content and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, allied health practitioners, residents, and medical students. Enjoy a meeting with a focus on your Wellness.

In addition to earning CME credits and MOC points, this meeting includes:

- SEP MOC Modules
- Clinical Guideline Workshops
- Intro to POC Ultrasound Workshop

This conference is about making personal contacts and getting involved in your chapter. You'll engage with people who know your challenges and can help you find solutions. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

Join with your Georgia Internal Medicine Community in October. To ensure your place at this invaluable meeting, register now by visiting us online at **www.gaacp.org**.

I look forward to seeing you in Braselton.

Sincerely,

G. Waldon Garriss, III, MD, MS, FAAP, MACP
ACP Governor, Georgia Chapter

Meeting Information

Early Career Physicians' Activities

A poster competition is held for Early Career, Faculty, and Fellow members at the chapter meeting. The abstract deadline is 9/07/2019. This event coincides with the Resident and Student poster competitions on Friday, October 25. All Early Career Members are welcome to attend the Early Career Physicians Event on Friday evening. For more details, visit the registration desk on site.

Learning Objectives

At the conclusion of this activity, the participant will be able to:

- Apply updated knowledge of clinical ambulatory and hospital medicine
- Understand the correct selection or oral diabetic medications
- Understand local and national issues impacting the practice of internal medicine
- Understand recent advances in internal medicine.

CME and MOC Points

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of **20 *AMA PRA Category 1 Credit(s)***™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 16 medical knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credit claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
