Resident Activities

1) **Doctor’s Dilemma (aka Medical Jeopardy):** each Internal Medicine Program is asked to send a team of 3 Residents (Associates) composed of either interns or second year residents. AL ACP will pay the residents a check in the amount of one night standard hotel room (one night plus tax) and a $100 stipend ($50 per day stipend for two days). The associates will be responsible for their own reservations, making and canceling, and for paying for them. Winning teams on the first day will compete in the finals the second day.

The winning team of this competition will be invited to participate in the Doctor’s Dilemma competition at the National Meeting in the spring of 2015. We ask that you choose from your PGY1 and PGY2s classes, so that if your team wins the competition the residents will still be in your program by the time they go to the National Meeting.

**SCHEDULE:**

**Round 1:** Friday June 5, 4:30pm – 6pm  
**Round 2:** Saturday June 6, 2pm – 3pm

2) **Oral presentations for Residents:** we will continue to have the clinical vignette oral presentations, 1 from each program (UAB, UAB Montgomery, UAB Huntsville, USA, and Baptist Health). Each program is asked to select their representatives. AL ACP will pay the associates a check in the amount of one night standard hotel room (one night plus tax) and a $100 stipend ($50 per day stipend for two days). The associates will be responsible for their own reservations, making and canceling, and for paying for them.

The winner of this competition will be invited to present his/her case in poster form at the National Meeting in the spring of 2015. We also ask that you choose from your PGY1 and PGY2s classes, so that if they win the competition they will still be in your program by the time they go to the National Meeting.

**SCHEDULE:** Saturday June 6, 11:30am – 12:30pm

3) **Poster competition for Residents:** we will have a poster competition for Residents. We will accept clinical vignettes or research abstracts. This will be a poster session separate from the clinical vignette oral presentations. The ACP will provide a $200 travel stipend, unless they are already receiving a stipend as part of the Doctor’s Dilemma team or as a Clinical Vignette oral presenter. There will be a $250 prize for the winner of each category, research and clinical. The deadline for submission is March 31 at 11:59 pm. You can submit an abstract on-line at: [http://www.acponline.org/about_acp/chapters/al/news_meet.htm](http://www.acponline.org/about_acp/chapters/al/news_meet.htm)

**SCHEDULE:** Saturday June 6

*Setup:* 7am  
*Judging:* 10am – 10:30 am
