

We wish to acknowledge the help given to us by the Medical Society of Delaware in organizing and collecting survey data.

Survey Letter (sent Feb 2007):

Dear Colleague:

Please take a few moments to complete the following survey. We are interested in assessing the level of global health involvement among Delaware physicians, with the aim of increased networking in this area.

Upon completion, we will make the results of this survey available via an online database.

We appreciate your time.

Sincerely,

Javed M. Gilani, MD FACP FRCP
