### Go to Raleigh. Get Involved. **LEGISLATIVE ADVOCACY DAYS**

Legislative Advocacy Days are your chance to learn more about the ins-and-outs of the government affairs and how best to approach your legislator regarding health issues care. The NCMS will hold a briefing in the morning with tips on "dos and don'ts" in relaying your message to your legislator and on the hot-button medical and patient issues currently in the spotlight at the General Assembly.

Following this briefing, head down with NCMS staff members to the General Assembly and meet one-on-one with your legislator; take part in committee meetings and see the General Assembly in action; and begin building relationships with your legislators for the future.
