INTERNAL MEDICINE | *Doctors for Adults*

Winter 2005

David L. Bronson, MD, FACP
Governor, Ohio Chapter

THOMAS M. FILE, JR., MD, FACP
Ohio Chapter
American College of Physicians
2004 Master Teacher Award

Thomas M. File, Jr., MD, FACP is a native of Dearborn, Michigan, a Phi Beta Kappa graduate of Albion College, Albion, Michigan and a graduate of the University of Michigan Medical School, Ann Arbor, Michigan. After completing his internship and residency in Internal Medicine at the Riverside Methodist Hospitals in Columbus, Ohio, Dr. File completed both a Masters of Science in Medical Microbiology and an Infectious Diseases Fellowship at the Ohio State University Hospitals in Columbus, Ohio. After two years as Director of Infectious Diseases at Grant Hospital in Columbus and faculty membership at the Ohio State University College of Medicine, Dr. File became Chief of Infectious Diseases at Akron City Hospital, Akron, Ohio as well as Assistant Professor of Medicine, Northeastern Ohio Universities College of Medicine (NEOUCOM),

Rootstown, OH. Since that time in 1979, Dr. File has remained Chief of Infectious Diseases at Akron City Hospital, now Summa Health System and has been promoted several times to his current position of Professor of Medicine at NEOUCOM. He is board-certified in Internal Medicine and Infectious Diseases by the American Board of Internal Medicine. He has been the recipient of numerous teaching awards at Akron City Hospital and Summa Health System and one of the most highly respected educators at NEOUCOM, recently having been named a founding member of the Master Teachers Guild at the medical school. Dr. File is also a highly respected infectious disease consultant, a member of the Infectious Disease Society of America's Community-Acquired Pneumonia guidelines committee, and an internationally renowned speaker and visiting professor. He is the author of over one hundred eighty articles in peer-reviewed journals and is a member of the editorial boards of several pulmonary and infectious disease publications. In recognition of these outstanding and longstanding contributions to the education of medical students, house officers, and attending physicians, the Ohio Chapter of the American College of Physicians is proud to present the 2004 Master Teacher Award to Thomas M. File, Jr., MD, FACP!

OHIO CHAPTER WINS TWO AWARDS

The Ohio Chapter has won the Evergreen Award and The Chapter Excellence Award. Both were presented by **Dr. Luke** during the October Annual Meeting

OHIO HAS ANOTHER REGENT

Robert G. Luke, MD,
MRCP, MACP
Univeristy of Cincinnati
Medical Center, Ohio

ROBERT G. LUKE, MD, MRCP, MACP
Ohio Chapter, American College of Physicians
2004 Laureate Award

Robert G. Luke, MD, MRCP, MACP is a graduate with Commendation of the Glasgow University, Glasgow, Scotland. After serving his internship at the Southern General Hospital and the University of Glasgow, Glasgow Scotland, he completed his training in Internal Medicine at the Glasgow Royal Infirmary, University Medical Unit and served as a Registrar in Medicine with a special interest in renal disease at the University Medical Unit, Glasgow Royal Infirmary, Scotland. Dr. Luke then completed his training in renal disease as a Research Fellow, Renal Unit, Department of Internal Medicine, Yale University Medical School, New Haven, CT. Since that time, he has held the following positions: (1) Lecturer in Medicine & Renal Disease, Glasgow Royal Infirmary, Glasgow, Scotland; (2) Director of Renal Division and Associate Professor of Medicine, University of Kentucky Medical Center, Lexington, KY; (3) Sabbatical Year, Department of Physiology, Yale University Medical School, New Haven, CT; (4) Director, Renal Division and Professor of Medicine, University of Kentucky Medical Center, Lexington, KY; (5) Director, Division of Nephrology and Professor of Medicine, the University of Alabama at Birmingham, Birmingham, Alabama; (6) Chairman and Taylor Professor of Medicine, Department of Medicine, the University of Cincinnati Medical Center, Cincinnati, OH. Throughout his tenure in all of these positions, Dr. Luke has stood as a paragon of excellence in the scientific and academic communities, both nationally and internationally. He is the author of over one hundred sixty publications in peer-reviewed journals, more than one hundred book chapters and invited articles, and numerous other research abstracts and presentations. His editorship of the American Journal of Kidney Diseases, his memberships on numerous editorial boards, and his position as a reviewer for numerous other academic publications consolidate his truly remarkable academic and scientific achievements and credentials. He is a faculty-elected member of Alpha Omega Alpha and he continues his contributions to medicine and medical research in Ohio as Professor of Medicine at the University of Cincinnati Medical Center after his recent retirement from his position as Chairman of Medicine at the University of Cincinnati. In recognition of these four decades of outstanding achievements in Internal Medicine and Nephrology, the Ohio Chapter of the American College of Physicians is honored and proud to present the 2004 Laureate Award to Robert G. Luke, MD, MRCP, MACP!

CATHERINE R. LUCEY, MD, FACP
Ohio Chapter, American College of Physicians
2004 Master Teacher Award

Catherine R. Lucey, MD, FACP is an honors graduate of Northwestern University and an Alpha Omega Alpha graduate with Distinction from the Northwestern University School of Medicine, Evanston, Illinois. After completing her internship and residency in Internal Medicine at the University of California at San Francisco Medical Center, she served a year as Chief Resident in Internal Medicine at the San Francisco General Hospital. She is board-certified in Internal Medicine with added qualifications in Geriatrics from the American Board of Internal Medicine. Since her departure from San Francisco, Dr. Lucey's physician and academic appointments include the following: (1) Staff Physician, Harvard Community Health Plan and Brigham and Women's Hospital and Clinical Instructor, Harvard University, Boston MA; (2) Staff Physician, Audie L. Murphy Veterans Administration Hospital and Assistant Professor, University of Texas Health Science Center, San Antonio, San Antonio, TX; (3) Staff Physician, Walter Reed Army Medical Center and Assistant Professor, Uniformed Services University of Health Sciences, Bethesda, MD; (4) Staff Physician, Associate Chair, and Program Director of Internal Medicine, Washington Hospital Center and Associate Professor, George Washington University School of Medicine, Washington, D.C. Dr. Lucey is currently the Vice Chair for Education, Residency Program Director in Internal Medicine and Associate Professor of Medicine at the Ohio State University Medical Center, Columbus, OH. She has won numerous awards for Excellence in Teaching at the University of Texas, Walter Reed Army Medical Center, and at Washington Hospital Center. She is an extremely active member of the Society of General Internal Medicine, the Association of Program Directors in Internal Medicine, and the National and State Chapters of the American College of Physicians. Dr. Lucey has been or currently holds membership on numerous editorial boards including those of the Archives of Internal Medicine, the Journal of Infectious Diseases, the American Journal of Medicine, the Journal of General Internal Medicine, the Annals of Internal Medicine, and the Journal of the American Medical Association. In recognition of her outstanding, far-reaching, and ongoing accomplishments in the education of medical students and resident and attending physicians, the Ohio Chapter of the American College of Physicians is proud to present the 2004 Master Teacher Award to Catherine R. Lucey, MD, FACP!

BYRON J. HOOGWERF, MD, FACP
Ohio Chapter, American College of Physicians
2004 Laureate Award

Byron J. Hoogwerf, MD, FACP is a native of Sioux Falls, South Dakota; a graduate of Calvin College, Grand Rapids, Michigan; and a graduate of the University of Minnesota Medical School, Minneapolis, Minnesota. After completing an internship in Internal Medicine at the Hennepin County General Hospital, Dr. Hoogwerf served four years as a General Medical Officer in the United States Air Force. Subsequent to this, he resumed and completed his residency in Internal Medicine at the Hennepin County General Hospital, Minneapolis, Minnesota followed by a three-year fellowship in the Division of Endocrinology and Metabolism at the University of Minnesota Medical School. After serving on the faculty as an Assistant Professor and Staff Physician in Medicine and Endocrinology at the University of Minnesota Medical School, Dr. Hoogwerf came to the Cleveland Clinic Foundation in 1985 and has distinguished in numerous roles and positions since that time. Besides continuing his endocrinologic research career and his busy patient-consultation schedule, he has held the following positions, among others, at the Cleveland Clinic Foundation: Chairman, Department of Endocrinology; Program Director, Endocrinology Fellowship Training Program; Program Director, Internal Medicine Residency Program. He has won two Teacher of the Year Awards from the Internal Medicine house staff at the Clinic. He is board certified in Internal Medicine and Endocrinology by the American Board of Internal Medicine. He is the author of over one hundred publications in peer-reviewed journals, more than 25 book chapters, and numerous audio, video, and web-based educational presentations. Dr. Hoogwerf has also received numerous research grants including several from the National Institutes of Health. He is a renowned author, educator, investigator and endocrinology consultant. In recognition of these outstanding accomplishments and remarkable contributions to all aspects of the medical care system, the Ohio Chapter of the American College of Physicians is excited and proud to present the 2004 Laureate Award to Byron J. Hoogwerf, MD, FACP!

MEDICAL STUDENTS' POSTER COMPETITION- RESEARCH CATEGORY

First Place

Timothy Fernandes
Regulation of Visceral Afferent Nerves by
Glucagon-like Peptide (GLP-1)
University of Cincinnati, Cincinnati, Ohio

Second Place

Kweku Appau
Plotting the Changes in Family History of Colorectal Cancer
The Cleveland Clinic Foundation, Cleveland, Ohio

**MEDICAL STUDENTS' POSTER COMPETITION-
CLINICAL VIGNETTE CATEGORY**

First Place

Charles DeBrosse
Development of Bilateral Deep Venous Thrombosis
(DVTs) in a Patient Heterozygous
for Factor V Leiden Mutation
University of Cincinnati, Cincinnati, Ohio

Second Place

Jennifer DePalma
Disseminated Histoplasmosis Patients Treated with Infliximab
University of Cincinnati, Cincinnati, Ohio

Third Place

Anthony Iarussi
Headache, Fever, Pruritic Rash as Presenting
Symptoms of Sweet's Disease
University of Cincinnati, Cincinnati, Ohio

Honorable Mention

Michael Straiko
Graves' Disease Presenting The Chronic Urticaria
University of Cincinnati, Cincinnati, Ohio

Honorable Mention

K. Derek Kreitel
A Rare Case of Ciguatera Poisoning in The Midwest
University of Cincinnati, Cincinnati, Ohio

ASSOCIATES' ORAL COMPETITION- RESEARCH CATEGORY

First Place

Aaron Wenger, MD
A Promoter Region Polymorphism in the Gene for Aldosterone Synthase does not influence recovery in Non-Ischemic Cardiomyopathy
The Ohio State University, Columbus, Ohio

Second Place

Prasad Manne, MD
Cardiac Troponini I as a Predictor of Accute Myocardial Infraction and Angiogram Lesions > 50% Stenosis
Good Samaritan Hospital, Cincinnati, Ohio

Third Place

Inderjeet Singh Brar, MD
Plasma B Natriuretic Peptide (BNP) Combined with Echocardiographic Left Ventricular Dimention- A Clinical Decision Making Tool in Patients with Congestive Heart Failure and Elevated BNP Levels
Akron General Medical Center, Akron, Ohio

ASSOCIATES' ORAL COMPETITION- CLINICAL VIGNETTE

First Place

Alyce M. Oliver, MD.
Tenosynovitis and Anti Cyclic Citrinnated Antibodies as Harbingers or Rheumatiod Arthritis
University of Cincinnati College of Medicine, Cincinnati, Ohio

Second Place

Robert Moser, MD
Kala Azar
Riverside Methodist Hospital, Columbus, Ohio

Third Place

Daniel Miller, MD
The "Akins Diet" Severe Ketacidosis
Riverside Methodist Hospital, Columbus, Ohio

Honorable Mention

Adam M. Mitchell, MD
Tetanus Presenting Right Upper Extremity Weakness
Cincinnati College of Medicine, Cincinnati, Ohio

ASSOCIATES' POSTER COMPETITION- RESEARCH CATEGORY

First Place

Julius Larosa, MD
The Safety and Efficacy of Warfarin using the Pharmacy assisted Protocol at Good Samaritan Hospital
The Good Samaritan Hospital, Cincinnati, Ohio

Second Place

Dagmar Lemus, MD
Treatment Duration and Risk Factors impact on Staphylococcus Aureus Bacteremia Patient Outcomes
The Good Samaritan Hospital, Cincinnati, Ohio

Third Place

Anurag Duggal
Empiric Treatment of Clostridium Difficile: Who to Treat?
Akron General medical Center, Akron, Ohio

ASSOCIATES' POSTER COMPETITION- CLINICAL VIGNETTE CATEGORY

First Place

Thom Bunnell, DO

Transverse Myelitis Presenting as a Paraneoplastic Syndrom: An Unusual Case

Wright State University, Dayton, Ohio

Second Place

Mridula Reddy, MD

Hemolytic Uremic Syndrome without Thrombocytopenia

Wright State University School of Medicine, Akron, Ohio

Third Place

Hima Mikkilineni, MD

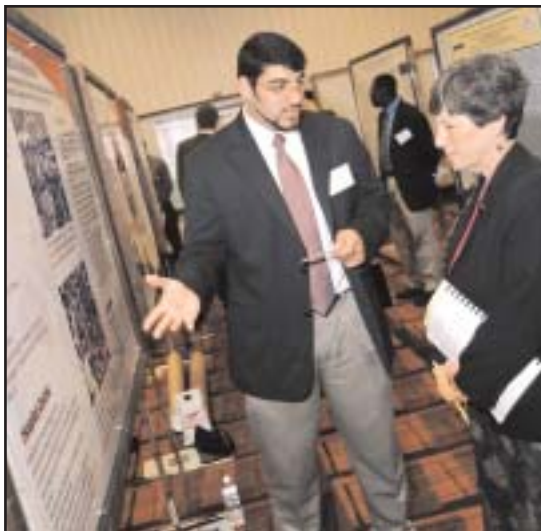

CNS Histoplasmosis Associated with Infliximab Therapy

Medical School of Ohio, Toledo, Ohio

Ohio Chapter sponsors two local winners to compete in San Francisco.

Timothy Fernandes University of Cincinnati

Aaron Wenger, MD The Ohio State University

Abstract Presenters in Action

CONGRATULATIONS NEW FELLOWS!!

We are pleased to announce the new Fellows in the Ohio Chapter as of October 1, 2004: **Daniel J. Brotman, LeAnn Coberly, Nicola Demacopoulos, Cynthia L. Deyling, Scott A Holliday, Joseph A. Khalil, Ahmad M. Kilani, Rajeev K. Mathavan, Caroline Mueller, Beth A. Overmoyer and James B. Young**

MASTER AWARD

Congratulations to **William G. Gardner, MD, FACP** Chairman, Dept. of Medicine, NEUCOM, who has recently been named a Master of the College. We are proud to say that he is a member of the Ohio Chapter. Congratulations

ANNUAL SESSION APRIL 14-16, 2005- SAN FRANCISCO

Make the most of Annual Session and your visit to San Francisco. In addition to the more than 260 Scientific courses given, come early and take advantage of the Pre- Session courses offered for focused, intense programs on what YOU need to know. Nationally recognized faculty provide expert instruction and present the latest advances in a variety of clinically relevant topics in internal medicine.

Then make some time to enjoy the city itself, as there are a variety of activities to take pleasure in. Interested in world-class museums? Fine dining? Acres of Open space? The city is a cultural wonderland where tradition and history go hand-in-hand with world famous sophistication and technological wonders.

Don't miss out! Make sure to start planning for Annual Session. Check out your brochure and sign up soon. This is one trip you don't want to miss!

ATTENTION

March 2005

Nomination Process Begins for Governor-Elect term, 2008-2011. Please contact your Governor for more information.

COLLEGE CREATES NEW AFFILIATE MEMBERSHIP CLASS FOR ALLIED PROFESSIONALS

For the first time, ACP has established a new class of membership that will be offered to certain non-physician health care professionals.

An invitation to become an ACP Affiliate has gone out to fellow members of the American Academy of Physician Assistants (AAPA), the only national organization that represents physician assistants in all medical and surgical specialties.

The creation of the new affiliate class was approved by the Board of Regents at its meeting in July. Having physician assistants as affiliate College members "is a milestone," said ACP Executive Vice President and Chief Executive Officer John Tooker, FACP, MBA, in a College press release. It is the first time in ACP's 89-year history that the College is offering membership to non-physicians.

The new ACP Affiliate members will have online access to Annals of Internal Medicine, as well as to ACP Journal Club. They also will have access to PIER (Physicians' Information and Education Resource), the College's point-of-care decision support tool.

Other benefits of affiliate membership will include access to ACP Online, as well as to ACP's Practice Management Center; discounts on College programs, publications and services; and continuing medical education programs at member prices.

More information about the new membership class is online at http://www.acponline.org/college/pressroom/phys_assis.htm

ABSTRACTS

June 3, 2005 Call for Abstracts Deadline.

For more details visit http://www.acponline.org/cgi-bin/abstract_oh.pl

SUPPORTING YOUR CHAPTER THROUGH CHAPTER DUES

Chapter dues are the backbone of local activities and vital to the success of our chapter. While we are provided some financial support from the national office, the chapter dues collected provide the majority of financial support for local activities. Educational meetings, mentoring programs for medical students, local Associates' research competitions, advocacy with state legislators, and participation by chapter leaders in Leadership Day on Capitol Hill are just some of the activities supported by your chapter dues. Many of these activities are orchestrated by unpaid volunteer leaders in our chapter. However, the increase in activities at the local level has created the need for additional staff support to help manage the day to day operation of the chapter. Your chapter dues help support the cost of local staff and provide funding for new and existing chapter initiatives. When you receive your dues notice, please remember to include the chapter dues in your payment. You will be contributing to the success of many grass roots activities happening right here at home.
