Dear Colleague,

I invite you to join me and your colleagues at the Patient-Centered Medical Home Summit being held Saturday, November 21, 2009, at the Crowne Plaza Hotel in Warwick, Rhode Island.

*This meeting is not just for ACP members.* I particularly want to invite nonmember primary and subspecialty physicians and extenders in Rhode Island to learn the details on the Patient-Centered Medical Home care model and make an informed decision for your practice and patients.

By attending this meeting you will:

- Gain insight into the Patient-Centered Medical Home care model.
- Hear from local and national experts on the PCMH and how it is affecting their practices and patient care.
- Hear about the Blue Cross/Blue Shield of Rhode Island/United Health Group plans to support PCMH.
- Observe a demonstration of the Electronic Health Record and the PCMH by five leading national vendors.
- Greet old friends, meet new friends, and develop a network of colleagues in your area participating in this exciting new mechanism to care for your patients.

To ensure your place at this invaluable meeting, register now by visiting [http://www.acponline.org/about\\_acp/chapters/ri/news\\_meet.htm](http://www.acponline.org/about_acp/chapters/ri/news_meet.htm) and completing the easy online registration form. You may also complete the form at the back of this brochure and send it by mail or fax. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

I look forward to seeing you in November.

Sincerely,

**Nitin S. Damle, MD, FACP  
ACP Governor, Rhode Island Chapter**
