

ACP Announces New Masters and Awardees 2005

The Awards Committee is pleased to announce that the Board of Regents has approved the following individuals and institutions to receive College Awards and Masterships at the 2005 Annual Session.

One new award is being presented at Convocation for the first time in 2005, the Herbert S. Waxman Award for Outstanding Medical Educator. The award will recognize a physician, internal medicine interest group leader, clinical clerkship director, program director, or faculty member (no higher than the level of an associate professor of medicine) who spends a significant amount of time teaching medical students.

Please join us in congratulating all the awardees and new Masters.
