**Wednesday, April 22, 2009
Pennsylvania Convention Center (Room 109)**

2009 State Health Policy Networking Session

The State Health Policy Networking Session is back after a one year hiatus due to this year's back-to-back Leadership Day and Internal Medicine events.

Please remember to include the **State Health Policy Networking Session** in your plans for Internal Medicine 2009 in Philadelphia, PA. The Networking Session will be held on **Wednesday, April 22, 2009 at the Pennsylvania Convention Center (Room 109) from 2:30pm-5:00pm.**

The State Health Policy Networking Session is an annual policy forum for Governors, Governors-elect, chapter Health and Public Policy Committee (HPPC) members and staff to learn about key state health issues and to discuss common concerns. The session provides the opportunity to share ideas on how to strengthen chapter advocacy on the issues that come up predominantly at the state and local levels, and to develop effective strategies to help lead to policy change.

If you would like to discuss a particular policy issue or are willing to lead a discussion at the meeting, please contact Shuan Tomlinson at 1-800-338-2746 ext. 4547 or by e-mail at stomlinson@acponline.org.

Please mark your calendars for the State Health Policy Networking Session on Wednesday, April 22 in Philadelphia. More details will follow as we get closer to the meeting.
