

Rebecca Landy

Disclosure Purpose: Annals of Internal Medicine Disclosure

Summary of Financial Interests

I do not have any financial interests to disclose at this time.

Additional Information:

1. **Are you the corresponding author?**

Yes.

2. **What is the Manuscript Title?**

Surprising implications of risk-based guidelines for selecting US ever-smokers into CT lung-cancer screening

3. **What is the Manuscript Identifying Number (if you know it)?**

M18-3617

4. **For each financial interest, you must indicate whether the interest or relationship represents:**

- Support of the submitted work at any time, from the initial conception and planning to the present;
- A relevant financial activity outside the submitted work that was present in the past 36 months; or
- A relationship or activity not covered above.

5. **Are there other relationships or activities that readers could perceive to have influenced, or that give the appearance of potentially influencing, what you wrote in the submitted work?**

Yes.

a. **Please explain below.**

The Lung Cancer Death Risk Assessment Tool (LCDRAT) was previously proposed by co-authors of this manuscript.

6. **Have you disclosed in the previous steps all relationships or activities that readers could perceive to have influenced, or that give the appearance of potentially influencing, what you wrote in the submitted work?**

Yes.

Certification

I certify that the information provided in this disclosure is complete and accurate, and I acknowledge that this disclosure form will be published by *Annals of Internal Medicine*.

Li Cheung

Disclosure Purpose: Annals of Internal Medicine Disclosure

Summary of Financial Interests

I do not have any financial interests to disclose at this time.

Additional Information:

1. **Are you the corresponding author?**

No.

2. **What is the Manuscript Title?**

Surprising implications of risk-based guidelines for selecting US ever-smokers into CT lung-cancer screening

3. **What is the Manuscript Identifying Number (if you know it)?**

M18-3617

4. **For each financial interest, you must indicate whether the interest or relationship represents:**

- Support of the submitted work at any time, from the initial conception and planning to the present;
- A relevant financial activity outside the submitted work that was present in the past 36 months; or
- A relationship or activity not covered above.

5. **Are there other relationships or activities that readers could perceive to have influenced, or that give the appearance of potentially influencing, what you wrote in the submitted work?**

Yes.

a. **Please explain below.**

I previously co-authored a manuscript proposing The Lung Cancer Death Risk Assessment Tool (LCDRAT) model.

6. **Have you disclosed in the previous steps all relationships or activities that readers could perceive to have influenced, or that give the appearance of potentially influencing, what you wrote in the submitted work?**

Yes.

Certification

I certify that the information provided in this disclosure is complete and accurate, and I acknowledge that this disclosure form will be published by *Annals of Internal Medicine*.

Disclosure Purpose: Annals of Internal Medicine Disclosure

Summary of Financial Interests

Entity	Type	Interest Held By
GRAIL, Inc	Consultant	Self
Medial Early Sign LLC	Consultant	Self

Additional Information:

1. **Are you the corresponding author?**

No.

2. **What is the Manuscript Title?**

Surprising implications of risk-based guidelines for selecting US ever-smokers into CT lung-cancer screening

3. **What is the Manuscript Identifying Number (if you know it)?**
