Celebrate Internal Medicine

Dear Colleague,

I invite you to join me and your colleagues in internal medicine at the next scientific meeting of the New Hampshire Chapter of the American College of Physicians, being held October 10, 2008 at the Holiday Inn in Concord.

This meeting is not just for ACP members. We particularly want to invite nonmembers to join us for this important clinical update and to learn about the benefits of membership at the same time.

By attending this meeting you will:

- Gain insight into recent medical advances.
- Discuss local and national issues affecting the practice and teaching of internal medicine.
- Greet old friends, meet new friends, and develop a network of colleagues in your area.
- Take some time for yourself or with your family to relax and enjoy the sights around Concord.

To ensure your place at this invaluable meeting complete the form at the back of this brochure and send it by mail or fax. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

I look forward to seeing you in Concord.

Sincerely,

Dana A. Merrithew, MD, FACP
ACP Governor, New Hampshire Chapter

P.S. Frederick E. Turton, MD, MBA, FACP, a Regent of ACP, will attend this meeting to talk about College-related issues from the national perspective. *This is a good chance to make your voice heard by ACP leadership--register today to reserve your seat.*
