

Postgraduate Course in Internal Medicine, Jawa, Surakarta, Indonesia, December 2007.

In December 2007, ISIM organized a Postgraduate Course in Internal Medicine in Indonesia. The course took place in Surakarta (Solo), Jawa.

The course was a great success. The Postgraduate Course was organized as joint meeting of the 5th *National Scientific Meeting of the Indonesian Society of Internal Medicine*.

The presentations were of high quality and covered basic research as well as clinical practice making the program very interesting.

A high-class social program made this postgraduate course very special.

Many thank to the organizing committee especially many thank to Dr. Sudoyo, Chairman of the Indonesian Society of Internal Medicine and to Dr. Soejono, Vice President, Indonesian Society of Internal Medicine.
