| FOREWORD .....        | xv   |
| ACKNOWLEDGMENTS ..... | xvii |

## I Cardiovascular Medicine

|                                      |    |  |
|--------------------------------------|----|--|
| 1 Approach to Chest Pain .....       | 3  | <i>Dario M. Torre</i>                        |
| 2 Chronic Stable Angina .....        | 7  | <i>Anna C. Maio</i>                          |
| 3 Acute Coronary Syndrome.....       | 11 | <i>Patrick C. Alguire</i>                    |
| 4 Supraventricular Arrhythmias ..... | 15 | <i>Charin L. Hanlon</i>                      |
| 5 Ventricular Arrhythmias .....      | 20 | <i>Steven J. Durning and Mark C. Haigney</i> |
| 6 Heart Failure .....                | 24 | <i>James L. Sebastian</i>                    |
| 7 Valvular Heart Disease .....       | 28 | <i>H. Douglas Walden</i>                     |

## II Endocrinology and Metabolism

|  |    |  |
|--|----|--|
| 8 Diabetes Mellitus and Diabetic Ketoacidosis .... | 37 | <i>Erik K. Alexander</i>                     |
| 9 Dyslipidemia .....                               | 41 | <i>D. Michael Elnicki and Gary Tabas</i>     |
| 10 Thyroid Disease .....                           | 44 | <i>Erik K. Alexander</i>                     |
| 11 Adrenal Disease .....                           | 48 | <i>Cynthia A. Burns</i>                      |
| 12 Osteoporosis .....                              | 52 | <i>Melissa A. McNeil and Janine M. Frank</i> |

## III Gastroenterology and Hepatology

|  |    |                            |
|--|----|----------------------------|
| 13 Approach to Abdominal Pain .....                | 57 | <i>Priya Radhakrishnan</i> |
| 14 Approach to Diarrhea .....                      | 61 | <i>Sarang Kim</i>          |
| 15 Diseases of the Gallbladder and Bile Ducts..... | 64 | <i>Nora L. Porter</i>      |
| 16 Acute Pancreatitis .....                        | 67 | <i>Nora L. Porter</i>      |
| 17 Gastroesophageal Reflux Disease .....           | 70 | <i>Brown J. McCallum</i>   |
| 18 Peptic Ulcer Disease .....                      | 72 | <i>Brown J. McCallum</i>   |
| 19 Dyspepsia.....                                  | 74 | <i>Brown J. McCallum</i>   |
| 20 Approach to Gastrointestinal Bleeding .....     | 76 | <i>Warren Y. Hershman</i>  |
| 21 Viral Hepatitis .....                           | 80 | <i>Carlos Palacio</i>      |
| 22 Cirrhosis .....                                 | 83 | <i>Mark J. Fagan</i>       |
| 23 Inflammatory Bowel Disease .....                | 87 | <i>Brown J. McCallum</i>   |

## IV General Internal Medicine

|  |     |                           |
|--|-----|---------------------------|
| 24 Test Interpretation .....                       | 93  | <i>D. Michael Elnicki</i> |
| 25 Health Promotion, Screening, and Prevention ... | 96  | <i>L. James Nixon</i>     |
| 26 Approach to Syncope .....                       | 100 | <i>Lawrence I. Kaplan</i> |

|    |  |     |
|----|--|-----|
| 27 | Depression.....                              | 103 |
|    | <i>Hugo A. Alvarez</i>                       |     |
| 28 | Substance Abuse .....                        | 107 |
|    | <i>Mark Allee</i>                            |     |
| 29 | Approach to Low Back Pain.....               | 110 |
|    | <i>Lawrence I. Kaplan</i>                    |     |
| 30 | Approach to Cough.....                       | 113 |
|    | <i>Patrick C. Alguire</i>                    |     |
| 31 | Smoking Cessation.....                       | 116 |
|    | <i>Patrick C. Alguire</i>                    |     |
| 32 | Obesity .....                                | 118 |
|    | <i>L. James Nixon</i>                        |     |
| 33 | Approach to Involuntary Weight Loss .....    | 121 |
|    | <i>Bruce Leff</i>                            |     |
| 34 | Disorders of Menstruation and Menopause .... | 124 |
|    | <i>Sara B. Fazio</i>                         |     |
| 35 | Common Dermatologic Disorders .....          | 128 |
|    | <i>Hannah Polotsky</i>                       |     |
| 36 | Comprehensive Geriatric Assessment .....     | 133 |
|    | <i>Ivonne Z. Jiménez-Velásquez</i>           |     |
| 37 | Hypertension.....                            | 137 |
|    | <i>Thomas M. DeFer</i>                       |     |

## V Hematology

|    |                               |     |
|----|-------------------------------|-----|
| 38 | Anemia .....                  | 143 |
|    | <i>Reed E. Drews</i>          |     |
| 39 | Bleeding Disorders .....      | 149 |
|    | <i>Diane C. Sliwka</i>        |     |
| 40 | Sickle Cell Anemia.....       | 152 |
|    | <i>Reed E. Drews</i>          |     |
| 41 | Thrombocytopenia .....        | 155 |
|    | <i>Richard S. Eisenstaedt</i> |     |
| 42 | Thrombophilia.....            | 158 |
|    | <i>Patrick C. Alguire</i>     |     |
| 43 | Common Leukemias .....        | 161 |
|    | <i>Mark M. Udden</i>          |     |
| 44 | Multiple Myeloma .....        | 164 |
|    | <i>Mark M. Udden</i>          |     |

## VI Infectious Disease Medicine

|    |   |     |
|----|---|-----|
| 45 | Approach to Fever .....                 | 171 |
|    | <i>Joseph T. Wayne</i>                  |     |
| 46 | Sepsis Syndrome .....                   | 174 |
|    | <i>Charin L. Hanlon</i>                 |     |
| 47 | Common Upper Respiratory Problems ..... | 177 |
|    | <i>Robert W. Neilson, Jr.</i>           |     |
| 48 | Urinary Tract Infection .....           | 180 |
|    | <i>Irene Alexandraki</i>                |     |

|    |   |     |
|----|---|-----|
| 49 | Sexually Transmitted Diseases .....         | 183 |
|    | <i>Sara B. Fazio</i>                        |     |
| 50 | Human Immunodeficiency Virus Infection .... | 186 |
|    | <i>Peter Gliatto</i>                        |     |
| 51 | Health Care Associated Infections .....     | 189 |
|    | <i>Brijen Shah</i>                          |     |
| 52 | Tuberculosis .....                          | 193 |
|    | <i>Arlina Abluwalia</i>                     |     |
| 53 | Community-Acquired Pneumonia .....          | 197 |
|    | <i>Irene Alexandraki</i>                    |     |
| 54 | Infective Endocarditis .....                | 200 |
|    | <i>Fred A. Lopez</i>                        |     |
| 55 | Osteomyelitis.....                          | 203 |
|    | <i>David C. Tompkins</i>                    |     |

## VII Nephrology

|    |   |     |
|----|---|-----|
| 56 | Acute Kidney Injury .....               | 209 |
|    | <i>Harold M. Szerlip</i>                |     |
| 57 | Chronic Kidney Disease .....            | 213 |
|    | <i>John Jason White</i>                 |     |
| 58 | Acid-Base Disorders.....                | 217 |
|    | <i>Tomoko Tanabe</i>                    |     |
| 59 | Fluid and Electrolyte Disorders .....   | 220 |
|    | <i>Mary Jane Barchman</i>               |     |
| 60 | Calcium and Phosphorus Metabolism ..... | 225 |
|    | <i>Mary Jane Barchman</i>               |     |

## VIII Neurology

|    |   |     |
|----|---|-----|
| 61 | Approach to the Altered Mental State .....    | 231 |
|    | <i>Robert W. Neilson Jr.</i>                  |     |
| 62 | Headache.....                                 | 234 |
|    | <i>Eyad Al-Hibi</i>                           |     |
| 63 | Dementia.....                                 | 237 |
|    | <i>Mark Allee</i>                             |     |
| 64 | Approach to Meningitis and Encephalitis ..... | 240 |
|    | <i>Fred A. Lopez</i>                          |     |
| 65 | Stroke and Transient Ischemic Attack .....    | 244 |
|    | <i>Jane P. Gagliardi</i>                      |     |
| 66 | Peripheral Neuropathy.....                    | 247 |
|    | <i>Christopher A. Klipstein</i>               |     |

## IX Oncology

|    |                         |     |
|----|-------------------------|-----|
| 67 | Breast Cancer .....     | 253 |
|    | <i>Kathleen F. Ryan</i> |     |
| 68 | Colon Cancer .....      | 256 |
|    | <i>Kathleen F. Ryan</i> |     |

|    |                           |     |
|----|---------------------------|-----|
| 69 | Lung Cancer .....         | 259 |
|    | <i>Cynthia H. Ledford</i> |     |
| 70 | Prostate Cancer .....     | 262 |
|    | <i>Eric H. Green</i>      |     |
| 71 | Cervical Cancer .....     | 265 |
|    | <i>Asra R. Khan</i>       |     |
| 72 | Skin Cancer .....         | 268 |
|    | <i>Cynthia H. Ledford</i> |     |
| 73 | Pain Management .....     | 271 |
|    | <i>Patrick C. Alquire</i> |     |

## **X Pulmonary Medicine**

|    |  |     |
|----|--|-----|
| 74 | Approach to Dyspnea.....                       | 275 |
|    | <i>Mark D. Holden</i>                          |     |
| 75 | Pleural Effusion .....                         | 278 |
|    | <i>Dario M. Torre</i>                          |     |
| 76 | Asthma .....                                   | 282 |
|    | <i>Patricia Short</i>                          |     |
| 77 | Chronic Obstructive Pulmonary Disease .....    | 286 |
|    | <i>Carlos Palacio</i>                          |     |
| 78 | Obstructive Sleep Apnea .....                  | 290 |
|    | <i>Arlina Abluwalia</i>                        |     |
| 79 | Infiltrative and Fibrotic Lung Diseases .....  | 293 |
|    | <i>Janet N. Myers</i>                          |     |
| 80 | Venous Thromboembolism .....                   | 297 |
|    | <i>Alpesh N. Amin</i>                          |     |
| 81 | Interpretation of Pulmonary Function Tests.... | 301 |
|    | <i>Kevin D. Whittle</i>                        |     |

## **XI Rheumatology**

|    |   |     |
|----|---|-----|
| 82 | Approach to Joint Pain .....                | 307 |
|    | <i>Thomas M. DeFer</i>                      |     |
| 83 | Approach to Knee and Shoulder Pain .....    | 309 |
|    | <i>Joseph Rencic</i>                        |     |
| 84 | Crystalline Arthritis .....                 | 312 |
|    | <i>Katherine Nickerson</i>                  |     |
| 85 | Osteoarthritis.....                         | 315 |
|    | <i>Amanda Cooper</i>                        |     |
| 86 | Polymyositis and Dermatomyositis.....       | 317 |
|    | <i>Kevin M. McKown</i>                      |     |
| 87 | Rheumatoid Arthritis .....                  | 319 |
|    | <i>Kathryn A. Naus and Seth Mark Berney</i> |     |
| 88 | Septic Arthritis.....                       | 322 |
|    | <i>J. Michael Finley</i>                    |     |
| 89 | Systemic Lupus Erythematosus .....          | 325 |
|    | <i>Nicole Cotter and Seth Mark Berney</i>   |     |
| 90 | Vasculitis .....                            | 328 |
|    | <i>Patrick C. Alquire</i>                   |     |
