Fostering Excellence in Internal Medicine
This live activity has been designated for 8.25 CME credits.
Dear Colleague,

I invite you to join me and your colleagues in internal medicine at the next scientific meeting of the Iowa Chapter of the American College of Physicians, being held March 27–28, 2015, at the Holiday Inn Hotel and Conference Center in Coralville.

*This meeting is not just for ACP members.* I particularly want to invite nonmembers to join us for this important clinical update and to learn about the benefits of membership at the same time.

In addition to earning 8.25 CME credits, by attending this meeting you will:

- Gain insight into recent medical advances.
- Discuss local and national issues affecting the practice and teaching of internal medicine.
- Greet old friends, meet new friends, and develop a network of colleagues in your area.

Between scientific sessions, please visit the College table. You will find information on new ACP programs, products, and services. There’s always something new at the College table—stop by and see for yourself.

To ensure your place at this invaluable meeting, register now by visiting [www.acponline.org/about_acp/chapters/ia/news_meet.htm](http://www.acponline.org/about_acp/chapters/ia/news_meet.htm) and completing the easy online registration form. You may also complete the form at the back of this brochure and send it by mail or fax. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

I look forward to seeing you in Coralville.

Sincerely,

Mark W. Purtle, MD, FACP
ACP Governor, Iowa Chapter

Resident/Fellow Members’ Activities

Clinical vignettes prepared by Resident/Fellow Members will be presented at the meeting. Winners will be eligible for entrance into the national competition held during Internal Medicine 2016. First-place winners will receive $1,500 to be used toward the expense of attending the ACP national meeting. Second place winners will receive a $250 credit from ACP for the purchase of ACP educational resources of their choosing. Contact W. John Yost, MD, FACP at 515-241-4277 or Manish Suneja, MD at 319-384-9668 for information about entering the Resident/Fellow Members’ Competition.

Learning Objectives

At the conclusion of this activity, the participant will be able to:

- Apply updated knowledge of lipid management, infectious diseases, osteoporosis, preoperative evaluation, LGBT issues, ventilator management, and skin biopsy to clinical practice.
- Understand recent advances in lipid management, infectious diseases, osteoporosis, preoperative evaluation, LGBT issues, ventilator management, and skin biopsy.

CME Accreditation

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of 8.25 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
