Dear Colleague,

We invite you to join your colleagues in internal medicine at the next scientific meeting of the Rhode Island Chapter of the American College of Physicians, on May 7, 2015, at Rhodes on the Pawtuxet.

In addition to earning up to 4.75 CME credits, by attending this meeting you will:

- Gain insight into recent medical advances.
- Discuss local and national issues affecting the practice and teaching of internal medicine.
- Greet old friends, meet new friends, and develop a network of colleagues in your area.

Between scientific sessions, please visit the College table. There’s always something new—stop by and see for yourself.

To ensure your place at this meeting, complete the registration form at the back of this brochure and send it in today, or register online www.acponline.org/about_acp/chapters/ri/news_meet.htm. The opportunities at this meeting will meet your needs as a physician, and also the needs of the patients you serve.
