Fostering Excellence in Internal Medicine
This live activity has been designated for 7.5 CME credits.
The SEP sessions have been designated for 5 CME credits.

Program Chair: Noel N. Deep, MD, FACP
Meeting Highlights

- Two SEP modules
- Doctor’s Dilemma™
- Tobacco Cessation
- Advances in the Management of Septic Shock
- Working With Interdisciplinary Teams
- Updates in GERD, Diabetes Management, and Oral Anticoagulant Drugs

Dear Colleague,

I invite you to join me and your colleagues in internal medicine at the next scientific meeting of the Wisconsin Chapter of the American College of Physicians, being held September 11–12, at the Wilderness Hotel and Golf Resort.

This meeting is not just for ACP members. I particularly want to invite nonmembers to join us for this important clinical update and to learn about the benefits of membership at the same time.

In addition to earning 7.5 CME credits, by attending this meeting you will:

- Gain insight into recent medical advances.
- Discuss local and national issues affecting the practice and teaching of internal medicine.
- Greet old friends, meet new friends, and develop a network of colleagues in your area.

Between scientific sessions, please visit the College table. You will find information on new ACP programs, products, and services. There’s always something new at the College table—stop by and see for yourself.

To ensure your place at this invaluable meeting, complete the registration form at the back of this brochure and send it in today. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

I look forward to seeing you in Wisconsin Dells.

Sincerely,
Mark K. Belknap, MD, FACP
ACP Governor, Wisconsin Chapter

Meeting Information

Resident/Fellow Members’ Activities
Clinical vignettes, posters, and research papers prepared by Resident/Fellow Members and Medical Students will be presented at the meeting. Winners will receive travel expenses to Internal Medicine 2016, recognition and be eligible for entrance into the national competition held during Internal Medicine 2016. Contact Rachel Hawker, MD, FACP at rmhawker@gundersenhealth.org for information about entering the Resident/Fellow Members’ Competition. Deadline for submissions is June 15, 2015.

Learning Objectives
At the conclusion of this activity, the participant will be able to:

- Apply updated knowledge of internal medicine to clinical practice.
- Apply updated knowledge of GERD, ischemic stroke, and the evaluation of thyroid labs/nodules to clinical practice.
- Improve clinical practice by incorporating major new developments in tobacco cessation, management of septic shock, treatment with new oral anticoagulant drugs, kidney disease management, and working with interdisciplinary teams.
- Understand recent advances in internal medicine.

Chapter Awards
It is with distinct pleasure that the Wisconsin Chapter will present the Laureate Award. Laureate Award winners are long-standing and loyal supporters of the College who have rendered distinguished service to their chapters and community and have upheld the high ideals and professional standards for which the College is known. The award will be presented during the George Magnin Wisconsin Chapter Awards Luncheon. Other awards will also be presented to illustrious and deserving members of our chapter.

Who should attend
- General internists
- Subspecialty internists
- Family practitioners
- Fellows in subspecialty training
- Hospitalists
