GOVERNOR'S LETTER

Arkansas Chapter Meeting Highlights:

- IM Clinical Education "Jeopardy"
- Medical Home Pilot: Six-Month Results
- Adult Immunization Cases
- Associate and Medical Student Activities
- Awards Dinner/Banquet, Saturday Evening

This educational activity has been designated for 12 CME credits.

Dear Colleague,

I invite you to join me and your colleagues in internal medicine at the next scientific meeting of the Arkansas Chapter of the American College of Physicians, being held October 30–31, 2009. The meeting will take place at UAMS on Friday and the Marriott Courtyard on Saturday. This meeting is not just for ACP members. I particularly want to invite nonmembers to join us for this important clinical update and to learn about the benefits of membership at the same time.

In addition to earning 12 CME credits, by attending this meeting you will:

- Gain insight into recent medical advances.
- Discuss local and national issues affecting the practice and teaching of internal medicine.
- Greet old friends, meet new friends, and develop a network of colleagues in your area.

Between scientific sessions, please visit the College table. You will find information on new ACP programs, products, and services. There's always something new at the College table – stop by and see for yourself.

To ensure your place at this invaluable meeting, register now by visiting www.acponline.org/about_acp/chapters/ar/ and completing the easy online registration form. You may also complete the form at the back of this brochure and send it by mail or fax. The opportunities available at this meeting will help you meet not only your needs as a physician, but also the needs of the patients you serve.

I look forward to seeing you in Little Rock.

Sincerely,

Robert Hopkins, MD, FACP, FAAP
ACP Governor, Arkansas Chapter

MEETING INFORMATION

Associate and Medical Student Activities

Clinical vignettes and posters prepared by Associates will be presented at the meeting. Winners will be eligible for entrance into the national competition held at Internal Medicine 2010 and will receive a cash prize. Posters prepared by Medical Students will also be presented at the meeting. Contact Robert Hopkins, MD, FACP, FAAP, for information about entering either competition. **The competition deadline is August 15, 2009.**

Laureate Award

It is with distinct pleasure that the Arkansas Chapter presents a recipient with this year's Laureate Award. Laureate Award winners are long-standing and loyal supporters of the College who have rendered distinguished service to their chapters and community and have upheld the high ideals and professional standards for which the College is known. The award will be presented during the awards dinner on Saturday night.

Chapter Excellence Award Winner

We are pleased to announce that our Chapter is the recipient of a 2008 Chapter Excellence Award. The Chapter Excellence Award recognizes those chapters that excel in reaching the standards for managing a chapter, such as communicating to members, instituting Medical Students' and Associates' activities, and advancing and recruiting members.

Acknowledgments

(as of June 2009)

We wish to thank the following:

- UAMS
- Little Rock Diagnostic Clinic

If you are interested in becoming a member of the College, please contact the Customer Service Department at 800-523-1546, ext. 2600, or 215-351-2600 (M-F, 9 a.m.-5 p.m. ET).

Attendance at chapter meetings can help all ACP members meet the qualifications for advancement to Fellowship. It is especially important for those applying under the pathway that calls for 5 years of activity as a Member.

MEETING INFORMATION

Who Should Attend

- General internists
- Subspecialty internists
- Fellows in subspecialty training
- Residents (internists in training)
- Medical students interested in internal medicine

Learning Objectives

At the conclusion of this activity, the participant will be able to:

- Apply updated knowledge of internal medicine to clinical practice.
- Improve clinical practice by incorporating major new developments in hospital management of infectious diseases and perioperative consultation.
- Understand recent advances in adult immunization and geriatric and end-of-life care.
- Increase confidence in medical computing.

CME Accreditation

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this educational activity for a maximum of **12 AMA PRA Category 1 Credit(s)**[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.
