GOVERNOR'S LETTER

Northern California Chapter Meeting Highlights:

- **SEP Pre-courses:**
Four Maintenance of Certification Modules
- **Genetics and medicine**
- **Abstract presentations**
- **Doctor's Dilemma™**
- **Dermatological procedures for the Internist**
- **Arthrocentesis and joint injections**
- **Coding for success**
- **Legislative updates**

This educational activity has been designated for 14.25 CME credits.

An additional 8 credits can be earned if you attend the SEP pre-courses.

Dear Colleague,

I invite you to join your colleagues and me at the next scientific meeting of the Northern California Chapter of the American College of Physicians, being held November 20–22, 2009, at the Radisson Hotel in Sacramento.

This meeting is not just for ACP members.

I particularly want to invite nonmembers to join us for this important clinical update and to learn about the benefits of membership at the same time.

In addition to earning up to 18.25 CME credits, by attending this meeting you will:

- Gain insight into recent medical advances.
- Discuss local and national issues affecting the practice and teaching of internal medicine.
- Greet old friends, meet new friends, and develop a network of colleagues in your area.
- Take some time for yourself or with your family to relax and enjoy the sights around Sacramento.

Between scientific sessions, please visit the College table. You will find information on new ACP programs, products, and services. There's always something new at the College table—stop by and see for yourself.

To ensure your place at this invaluable meeting, register now by visiting www.acponline.org/chapters/ca and completing the easy online registration form. You may also complete the form at the back of this brochure and send it by mail or fax.

The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

I look forward to seeing you in Sacramento.

Sincerely,

George W. Meyer, MD, FACP
ACP Governor, Northern California Chapter

- Subspecialty physicians

SEP Learning Objectives

- Participate in group discussion to determine answers to multiple-choice questions.
- Apply updated knowledge of internal medicine to clinical practice.
- Understand recent advances in internal medicine.
- Complete an ABIM SEP Module toward partial fulfillment of the ABIM's Maintenance of Certification.

SEP CME Accreditation

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The American College of Physicians designates this educational activity for a maximum of **8 AMA PRA Category 1 Credit(s)**[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

SEP Note

The Northern California Chapter will provide you with a "Learner's Copy" of the Updates at the meeting. If you are enrolled in the ABIM's Maintenance of Certification (MOC) program, you must also order an "official" copy of the SEP module directly from ABIM by visiting www.abim.org/online. Two formats are available: online or CD-ROM. You can order the module online from ABIM before or after the learning session.

After the learning session, you have 30 days to submit your answers to ABIM for MOC credit via the Internet by using your official CD-ROM version.

For more information about the learning session, please contact Kathy Matikonis at acpcalifornia@aol.com. For more information about ABIM's Maintenance of Certification Program, visit www.abim.org/moc.

*If you are already enrolled in the ABIM MOC program, there is no additional fee for the official version of the module. If you are not enrolled in the ABIM MOC program, you may attend the learning session; however, you must enroll in the MOC program to receive credit for the knowledge module. To enroll in the MOC Program, visit www.abim.org/moc. Please see the registration page of this brochure for fees for attending this session. These fees are separate from the ABIM's fees and must be paid regardless of whether you are enrolled in the MOC program.

MEETING INFORMATION

Associates' Activities

Posters and research papers prepared by Associates will be presented at the meeting. Winners will receive recognition, cash awards, and travel expenses to Internal Medicine 2010. Contact Kathy Matikonis at 415-305-3258 for information about entering the Associates' Competition. Deadline for submissions is **September 28, 2009**.

Medical Students' Activities

Posters and research papers prepared by Medical Students will be presented at the meeting. Winners will receive recognition. Contact Kathy Matikonis at 415-305-3258 for information about entering the Associates' Competition. Deadline for submissions is **September 28, 2009**.

Chapter Awards

It is with distinct pleasure that the California Northern Chapter presents physicians with the Chapter Laureate Award. Laureate Award winners are long-standing and loyal supporters of the College who have rendered distinguished service to their chapters and community and have upheld the high ideals and professional standards for which the College is known. The Chapter is also pleased to recognize members with the Community Service, Distinguished Teacher, and Associates Awards. The awards will be presented during lunch on Saturday.

Chapter Excellence Award Winner

We are pleased to announce that our Chapter is the recipient of a 2008 Chapter Excellence Award. The Chapter Excellence Award recognizes those chapters that excel in reaching the standards for managing a chapter, such as communicating to members, instituting Medical Students' and Associates' activities, and advancing and recruiting members. A Chapter Excellence certificate will be awarded to the chapter.

Who Should Attend

- General internists
- Subspecialty internists
- Family practitioners
- Fellows in subspecialty training
- Residents (internists in training)
- Medical students interested in internal medicine

Learning Objectives

At the conclusion of this activity, the participant will be able to:

- Apply updated knowledge of internal medicine to clinical practice.
- Improve clinical practice by incorporating major new developments in genetics.
- Increase confidence in performing dermatology procedures and joint injections.
- Understand political advocacy and reform.

CME Accreditation

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this educational activity for a maximum of **14.25 AMA PRA Category 1 Credit(s)**[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.
