GOVERNOR'S LETTER

Kansas Chapter Meeting Highlights:

- Mahlon H. Delp Lecture
- Washington Update
- Fast Feedings of the Mind
- Lupus Update
- Interstitial Lung Disease
- End-of-Life Care: Pain and Symptom Management
- Trivia/Jeopardy contest for Associates

This educational activity has been designated for 8.75 CME credits.

Dear Colleague,

I invite you to join me and your colleagues in internal medicine at the next scientific meeting of the Kansas Chapter of the American College of Physicians, being held September 5–6, 2008, at the Doubletree Hotel in Overland Park.

This meeting is not just for ACP members. I particularly want to invite nonmembers to join us for this important clinical update and to learn about the benefits of membership at the same time.

In addition to earning 8.75 CME credits, by attending this meeting you will:

- Gain insight into recent medical advances.
- Discuss local and national issues affecting the practice and teaching of internal medicine.
- Greet old friends, meet new friends, and develop a network of colleagues in your area.

Between scientific sessions, please visit the College table. You will find information on new ACP programs, products, and services. There's always something new at the College table—stop by and see for yourself.

To ensure your place at this invaluable meeting, complete the registration form at the back of this brochure and send it in today. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

I look forward to seeing you in Overland Park.

Sincerely,

Garold O. Minns, MD, FACP
ACP Governor, Kansas Chapter

P.S. Jeffrey P. Harris, MD, FACP, President of ACP, will attend this meeting to talk about College activities related to quality improvement on behalf of internists. *This is a good chance to make your voice heard by ACP leadership—register today to reserve your seat.*

MEETING INFORMATION

Associates' and Medical Students' Activities

Posters and research papers prepared by Associates and Medical Students will be presented at the meeting. Winners will receive cash awards and be eligible for entrance into the national competition held during Internal Medicine 2009. Contact Marilane Carr at 316-293-2650 or mcarr@kumc.edu (Wichita) or Marcia Pressly at 913-588-6051 or mpressly@kumc.edu (Kansas City) for information about entering the Associates' or Medical Students' Competition.

Laureate Award

It is with distinct pleasure that the Kansas Chapter presents physicians with the Chapter Laureate Award. Laureate Award winners are long-standing and loyal supporters of the College who have rendered distinguished service to their chapters and community and have upheld the high ideals and professional standards for which the College is known. The award will be presented during lunch on Friday.

Chapter Excellence Award Winner

We are pleased to announce that our Chapter is the recipient of a 2007 Chapter Excellence Award. The Chapter Excellence Award recognizes those chapters that excel in reaching the standards for managing a chapter, such as communicating to members, instituting Medical Students' and Associates' activities and advancing and recruiting members. A Chapter Excellence certificate will be awarded to the chapter at the meeting by the College Representative.

Who Should Attend

- General internists
- Subspecialty internists
- Fellows in subspecialty training
- Residents (internists in training)
- Medical students interested in internal medicine

Learning Objectives

At the conclusion of this activity, the participant will be able to:

- Apply updated knowledge of lupus, interstitial lung disease, and end-of-life care to clinical practice.
- Review political advocacy and reform.
- Recommend treatment for a variety of problems encountered in local primary care practice.

CME Accreditation

The University of Kansas Medical Center Office of Continuing Education is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Kansas Medical Center Office of Continuing Education designates this educational activity for a maximum of **8.75 AMA PRA Category 1 Credit(s)**[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.
