- **Meet the Professor/Thieves' Market**
- **Multiple Small Feedings of the Mind**

This educational activity has been designated for 12 CME credits.

Dear Colleague,

I invite you to join me and your colleagues in internal medicine at the next scientific meeting of the Ohio Chapter of the American College of Physicians, being held October 8–9, 2009, at the Greater Columbus Convention Center.

*This meeting is not just for ACP members.*

I particularly want to invite nonmembers to join us for this important clinical update and to learn about the benefits of membership at the same time.

In addition to earning 12 CME credits, by attending this meeting you will:

- Gain insight into recent medical advances.
- Discuss local and national issues affecting the practice and teaching of internal medicine.
- Greet old friends, meet new friends, and develop a network of colleagues in your area.
- Take some time for yourself or with your family to relax and enjoy the sights around Columbus.

Between scientific sessions, please visit the College table. You will find information on new ACP programs, products, and services. There's always something new at the College table—stop by and see for yourself.

To ensure your place at this invaluable meeting, register now by visiting [www.acponline.org/about\\_acp/chapters/oh/](http://www.acponline.org/about_acp/chapters/oh/) and completing the easy online registration form. You may also complete the form at the back of this brochure and send it by mail or fax. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

I look forward to seeing you in Columbus.

Sincerely,

**Mark E. Mayer, MD, FACP**  
**ACP Governor, Ohio Chapter**
