GOVERNOR'S LETTER

Utah Chapter Meeting Highlights:

- Updates in infectious disease, neurology, hematology, endocrinology, and rheumatology
- Posters prepared by Utah residents and medical students
- Top papers of the year by Dr. Gluckman, ACP Regent
- Chapter award presentations

This educational activity has been designated for 6.25 CME credits.

Dear Colleague,

I invite you to join me and your colleagues in internal medicine at the next scientific meeting of the Utah Chapter of the American College of Physicians, being held Friday, September 18, 2009, at the University of Utah.

This meeting is not just for ACP members.

I particularly want to invite nonmembers to join us for this important clinical update and to learn about the benefits of membership at the same time.

In addition to earning 6.25 CME credits, by attending this meeting you will:

- Gain insight into recent medical advances.
- Discuss local and national issues affecting the practice and teaching of internal medicine.
- Greet old friends, meet new friends, and develop a network of colleagues in your area.
- Take some time for yourself or with your family to relax and enjoy the sights around Salt Lake City.

Between scientific sessions, please visit the College table. You will find information on new ACP programs, products, and services. There's always something new at the College table—stop by and see for yourself.

To ensure your place at this invaluable meeting, register now by visiting www.acponline.org/chapters/ut/news_meet.htm and completing the easy online registration form. You may also complete the form at the back of this brochure and send it by mail or fax. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

I look forward to seeing you in Salt Lake City.

Sincerely,

Corwin Q. Edwards, MD, FACP
ACP Governor, Utah Chapter

P.S. Robert A. Gluckman, MD, FACP, a Regent of ACP, will attend this meeting to talk about College activities related to quality improvement on behalf of internists. *This is a good chance to make your voice heard by ACP leadership—register today to reserve your seat.*

MEETING INFORMATION

Associates' and Medical Students' Activities

Posters prepared by Associates and Medical Students will be presented at the meeting. Winners will receive \$200 in cash and be eligible for entrance into the national competition held during Internal Medicine 2010. Contact Kris Bjerregaard at 801-507-3750 for information about entering the Associates' Competition. **The deadline for submission of your abstract is Friday, August 21, 2009.**

Chapter Awards

It is with distinct pleasure that the Utah Chapter has the opportunity to present awards to members of the College. The awards presentation will take place after lunch, at 1:15 p.m. We invite nominations for the Laureate Award and the C. DuWayne Schmidt Community Service Award this year. The Laureate Award recognizes long-standing and loyal supporters of the College who have rendered distinguished service to their chapters and community, and have upheld the high ideals and professional standards for which the College is known. The C. DuWayne Schmidt Community Service Award recognizes internists who have distinguished themselves as true humanitarians, and who we honor for their voluntary contributions in medicine.

Who Should Attend

- General internists
- Subspecialty internists
- Residents (internists in training)
- Medical students interested in internal medicine

Learning Objectives

At the conclusion of this activity, the participant will be able to:

- Apply updated knowledge of internal medicine to clinical practice.
- Improve clinical practice by incorporating major new developments in subspecialty medicine.
- Understand recent advances in internal medicine.

CME Accreditation

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this educational activity for a maximum of **6.25 AMA PRA Category 1 Credit(s)[™]**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Area Interests

There are many activities available for family and friends in Salt Lake City and the surrounding areas, including:

- Visit the Museum of Fine Arts and the Museum of Natural History on the campus of University of Utah.
- Take a short trip to Park City and visit the old mining town or enjoy the Olympic Park facilities.
- Tour the Historic Temple Square and the recently renovated Utah State Capitol in downtown Salt Lake City—free tours are available!
- Enjoy a movie or shopping at the Gateway.

Additional information on the area is available online at www.visitsaltlake.com.
