## Wisconsin Chapter Meeting Highlights:

- SEP recertification pre-courses
- Updates in hospital medicine, adult immunization, sepsis management, transfusion medicine, and more
- Posters and clinical vignettes presented by Wisconsin medical students and internal medicine residents
- Doctors' Dilemma™ competition and Thieves' Market
- Council of Young Physicians and Hospitalist reception
- Laureate presentation and Middleton Memorial Lecture
- Wisconsin Chapter awards ceremony and banquet

**This educational activity has been designated for 12.5 CME credits. An additional 6 credits can be earned by attending the Pre-Course SEP Modules.**

Dear Colleague,

I invite you to join me and your colleagues in internal medicine at the next scientific meeting of the Wisconsin Chapter of the American College of Physicians, being held Friday–Sunday, September 11–13, 2009, at the Wilderness Resort.

*This meeting is not just for ACP members.*

I particularly want to invite nonmembers to join us for this important clinical update and to learn about the benefits of membership at the same time.

In addition to earning up to 18.5 CME credits, by attending this meeting you will:

- Gain insight into recent medical advances.
- Discuss local and national issues affecting the practice and teaching of internal medicine.
- Greet old friends, meet new friends, and develop a network of colleagues in your area.
- Take some time for yourself or with your family to relax and enjoy the sights around Wisconsin Dells.

Between scientific sessions, please visit the College table. You will find information on new ACP programs, products, and services. There's always something new at the College table—stop by and see for yourself.

To ensure your place at this invaluable meeting, complete the registration form at the back of this brochure and send it in today. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve.

I look forward to seeing you in Wisconsin Dells.

Sincerely,

**Sharon L. Haase, MD, FACP**  
ACP Governor, Wisconsin Chapter

P.S. Faith Fitzgerald, MD, MACP, a Regent of ACP, will attend this meeting to talk about College activities related to quality improvement on behalf of internists. *This is a good chance to make your voice heard by ACP leadership—register today to reserve your seat.*

## CME Accreditation

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this educational activity for a maximum of **6 AMA PRA Category 1 Credit(s)**<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

## SEP Note

The Wisconsin Chapter will provide you with a “learner’s copy” of both Pulmonary Medicine and Hospital-Based Medicine at the meeting. If you are enrolled in the ABIM’s Maintenance of Certification (MOC) program, you must also order an “official” copy of the SEP module directly from ABIM by visiting [www.abim.org/online](http://www.abim.org/online). Two formats are available: online and CD-ROM. You can order the module(s) online from ABIM before or after the learning session.

After the learning session, **you have 30 days to submit your answers to ABIM for MOC credit** via the Internet by using your official CD-ROM version.

For more information about Learning Session, please contact Kelly Lang at [lang@svinicki.com](mailto:lang@svinicki.com). For more information about ABIM’s Maintenance of Certification Program visit [www.abim.org/moc](http://www.abim.org/moc).

\*If you are already enrolled in the ABIM MOC program there is no additional fee for the official version of the module. If you are not enrolled in the ABIM MOC Program, you may attend the learning session; however, you must enroll in the MOC program to receive credit for the knowledge module. To enroll in the MOC Program, visit [www.abim.org/moc](http://www.abim.org/moc). Please see the registration page of this brochure for the Wisconsin Chapter’s fees for attending this session. These fees are separate from the ABIM’s fees, and must be paid regardless of whether you are enrolled in the MOC program.

## Associates' and Medical Students' Activities

Clinical vignettes and posters prepared by Associates and Medical Students will be presented at the meeting. Medical Student winners will be recognized by the chapter, and Associates winners will receive travel expenses to Internal Medicine Week 2010 in Toronto. All winners will be eligible for entrance into the national competition held during Internal Medicine 2010. Contact Matt E. Crowe, MD, at 608-263-3457 for information about entering the competition.

Also, there will be an Associates' Session on Saturday morning from 7:30–9:00 a.m., focusing on advocacy, residents as teachers, and board prep.

## Who Should Attend

- General internists
- Hospitalists
- Subspecialty internists
- Med/Peds trained generalists and specialists
- Allied health practitioners
- Residents (internists in training)
- Medical students interested in internal medicine

## Chapter Awards

It is with distinct pleasure that the Wisconsin Chapter presents a 2009 Laureate Award. Laureate Award winners are long-standing and loyal supporters of the College who have rendered distinguished service to their chapters and community and have upheld the high ideals and professional standards for which the College is known. The award will be presented at 1:15 p.m. on Saturday. The Wisconsin Chapter is also pleased to announce the winners of 7 chapter awards, including the Distinguished Internist, Addis Costello, Young Internist, Volunteerism, Community-Based Preceptor, Helen Dickie Woman Physician, and Legislator of the Year awards. These will be presented during the George Magnin—Wisconsin Chapter Awards Ceremony and Banquet on Saturday night.

## Learning Objectives

At the conclusion of this activity, the participant will be able to:

- Apply updated knowledge of internal medicine to clinical practice.
- Understand recent advances in internal medicine.
- Understand current political and socioeconomic issues facing the internist and learn about the ACP's advocacy efforts and role at the National level.

## CME Accreditation

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this educational activity for a maximum of **12.5 AMA PRA Category 1 Credit(s)<sup>™</sup>**. Physicians should only claim credit commensurate with the extent of their participation in the activity.
