

# MLE's Recruit 1, Waive 2 Program

## MLE Advantage Discount 9

Help increase peer group participation—recommend MLE Enrollment to your colleagues!

### Benefit

To provide you with larger peer groups, we must work together. MLE is the best-kept secret in quality improvement. Spread the word about us while helping your colleagues receive the same high-quality service at a competitive price!

### To be considered a recruited enrollee

The new enrollee must:

- Be a nonparticipant of MLE during the 2009 year.
- Submit an MLE PT Order Form.
- The waiver will not be applied until your recruiter's renewal is activated.

**IMPORTANT!** Write the name and MLE ID Number of the recruiter in the recruiter box in Section 9 on the PT Order Form.

**Note:** The new enrollee cannot combine MLE Discount offers for the 2010 program.

### As the recruiter

- Submit your MLE Renewal within 2 weeks of your colleague's order submission.

**IMPORTANT!** Write the name and phone number of your colleague in the designated area on your renewal.

### To maintain waiver

- Remain enrolled throughout the eligible program year.
- The fee waivers will not be applied until we receive enrollment on both labs.

### Attention Automatic Renewal Participants

As an Auto Renewal participant, you do not receive a renewal form or renewal fax reminder. Therefore, simply be sure your colleague writes your name and MLE ID number on his or her order form. Once the forms are processed, we will apply the waiver to your record as well as to the newly enrolled lab.

**Note:** If you will be receiving another ADVANTAGE discount for the 2010 program and you are participating in "Recruit 1, Waive 2," select the offer that provides the greatest discount. We are unable to apply BOTH discounts to your order. Your newly enrolled colleague will receive the administration fee waiver.

**A collective effort makes the difference.  
Call on the support of your colleagues today.**

**The Lab Alliance gives ACP Members Buying Power. And the Tools to Improve the Quality of Patient Care.**

Use the **ACP. COLA. MLE Lab Alliance** to ensure the quality of your lab while realizing savings via Alliance discounts.

ACP and ACP's Proficiency Testing Program, Medical Laboratory Evaluation (MLE) have joined with COLA, a national healthcare accreditation and e-Learning organization, to bring you a true "one source" resource for Internists.

We know the many challenges you face and we are committed to giving you and your staff the highest quality resources at attractive prices.

#### LAB ALLIANCE BENEFITS:

- MLE will waive the annual administration fee (\$75.00 value) on its proficiency testing service
- MLE ADVANTAGE discount 2 or 3
- ACP/MLE members save up to 15% by choosing COLA's highly respected laboratory accreditation in lieu of CMS
- COLA covers any switching fees
- COLA offers savings of 15% for ACP/MLE members on COLA's LabUniversity e-Learning courses and educational publications
- Lab Alliance offers free of charge an e-Learning course on Quality Assessment Basics and MLE CEexpress articles

To take advantage of all the benefits that the Lab Alliance offers go online to [LabAlliance.org](http://LabAlliance.org) or call 1-800-981-9883
