Join us for Paninis and Desserts at Vaccaro's for an engaging panel discussion with our panelists: **Drs. David Hellmann, Sharon Dlhosh, Frank Sparandero, Margaret Brennan and Moderator Kimberly Skarupski.**

We will explore a range of choices and changes that face physicians in later stages of careers and life, including panelists who shifted what they do and those who chose to change entirely, the factors that influenced these changes, and how later life changes impact identity as a physician. We **invite all physicians at any stage to join**, share in the discussion, and engage with others in what promises to be a fun and important session. ***Partners or spouses are welcomed.***

Our newly formed **WISE** (Wisdom Initiative for Senior Engagement) committee chaired by Dr. Mary Newman is hosting this first event which is **FREE of CHARGE**.
