Medical Knowledge Self-Assessment Program[®]

Trust the Best to do your Best!

The newest edition of Medical Knowledge Self-Assessment Program[®] (MKSAP 17) is coming July 31, 2015. And for the first time ever, MKSAP Digital will launch 1 month after the print version.

- **Part A Print:** July 31, 2015
- **Part A Digital:** August 31, 2015
- **Part B Print:** December 31, 2015
- **Part B Digital:** January 31, 2016

Setting the definitive standard for self-assessment since 1967, MKSAP continues to honor its legacy by helping internists gain knowledge in the core of internal medicine and its subspecialties. Every 3 years, our program is updated and presented as an original body of scholarly work. The newest edition, MKSAP 17, will give you unparalleled content in a state-of-the-art format. Learn from evidence-based clinical scenarios and answering 1,200 entirely new questions, similar to questions you will see on the boards.

Distinct Advantages of MKSAP 17

- The proven path for success on the Boards.
- A rewarding way to earn CME and MOC points.
- State-of-the-art formats adapt to your learning style.

MKSAP® 17 Complete

Enjoy 15% off through July 31, 2015!

Includes:

- MKSAP 17 Print
- MKSAP 17 Digital
- Board Basics
- MKSAP 17 Flashcards
- Virtual DX

MKSAP 17 Print

- 11 comprehensive text chapters with related MCQs. Highlights High Value Care and Hospitalist-focused content.
- Same-day scoring online. Answer questions online, or use print answer sheets and then transfer your answers online to submit.
- Prefer to submit your answer sheet by mail? Self-score your quizzes and mail to ACP for a \$10 processing fee per section.

MKSAP 17 Digital

Includes all of the text and questions, interlinked for an efficient learning experience, plus many additions not offered in print.

- Delivered online in a format that adapts to PC, tablet or smart phone.
- Also includes free apps for iPhone, iPad, Android devices and laptops so you can work offline.
- Apps include questions as well as text chapters for study on the go.
- Your answers are stored in your online account, so you can work on any device and sync your offline work when you log in.
- Submission for CME credits and MOC points is quick and easy!

MKSAP 17 Digital lets you create custom quizzes and work in study or exam mode; check peer statistics; link to related content; and view the dashboard for your progress.

Digital Updates included in MKSAP 17 Digital!

- No need to order Updates separately. Receive new text and integrated bonus MCQ sets automatically in your online program.
- At least 50 MCQs are delivered 6 months after publication and every 6 months thereafter for a total of 4 bonus Updates.

Board Basics® (in print and e-book)

For an intensive ABIM board review, count on the 350-page Board Basics book and companion e-book, filled with crucial material you should review right before taking your exam.

Board Basics can help you:

- Avoid Being Tricked: Incorrect answers that masquerade as correct choices.
- Test Yourself: Abbreviated case histories.
- Integrate concepts through Study Tables.
- Find key takeaways from MKSAP 17 as well as new content that you'll need to know before taking the Boards.

New! MKSAP 17 Flashcards

- Over 1,000 digital Flashcards, each linked to a related MKSAP question.
- Create your own custom sets!
- Mark incorrect answers and try them again later.
- Mobile-friendly.

Virtual Dx

- An updated version of the online image-based question module that's both fun and challenging.
- Ideal for Board prep or to gauge your visual diagnostic skills.
- Quiz yourself with over 400 high-resolution images in 11 major categories.

Board Prep tools in MKSAP 17 Digital

- Pretest yourself to establish baseline deficiencies.
- Answer questions in **study** mode to view answers and critiques with no time constraint. Link easily to related text for deeper exploration.
- Check **peer statistics** and view the dashboard to judge how you are progressing.
- Answer questions in **exam** mode when it is time for test prep. You select the number of questions, clinical topics and time allotment.

Good news! MKSAP® 17 Part A Digital will be released on August 31st! Get started with your online account sooner than ever!

MKSAP 17 System Requirements

(as of 1/6/2015)

Windows

- Windows 7 or later; Intel Pentium 4 or later processor; 750 MB available disk space; 2 GB RAM

Mac

- Mac OS X 10.10 (Yosemite) or later, Intel processor, 750 MB available disk space; 2 GB RAM

iOS

- iPhone 5 or later, iPad with Retina display or later; iOS 8.0 or later; 400 MB available disk space

Android

- Android 4.4 (KitKat) or later; 400 MB available disk space

MKSAP 17 Online

One of the following browsers: Internet Explorer 9 or later; Chrome 39 or later; Firefox 34 or later; Safari 8 or later. Please note that both cookies and JavaScript need to be enabled.

Audience

MKSAP 17 is specifically intended for physicians who provide personal, nonsurgical care to adults. Included are: general internists and primary care physicians; subspecialists who need to remain up-to-date in internal medicine; residents preparing for the Certification Exam in internal medicine; physicians preparing for the Maintenance of Certification Exam in internal medicine.

Learning Objectives:

- Close gaps between actual care in your practice and preferred standards of care, based on best evidence.
- Diagnose disease states that are less common and sometimes overlooked and confusing.
- Improve management of comorbid conditions that can complicate patient care.
- Determine when to refer patients for surgery or care by subspecialists.
- Pass the ABIM Certification Examination and the ABIM Maintenance of Certification Examination.
