American College of Physicians
Department of Clinical Policy
Disclosure of Interests (DOI) Form

Instructions

Review of Disclosures of Interests

This is a disclosure of interests (DOI) worksheet for the Department of Clinical Policy within the American College of Physicians. All participants in committee meetings and works development must complete this form upon start of work or committee term. This requirement applies to:

- All ACP staff participating in meetings or calls
- All members of any department panel or committee
- Contracted authors or consultants
- Any other individual participating in committee meetings/conferences calls or developing work for the Department of Clinical Policy

Managing Conflicts of Interest

Answering “Yes” to a question on this form does not automatically disqualify an individual from participation. Potential conflicts are graded by staff according to department policy and participation is managed according to level of conflict.

What should I report?

We require disclosure:

- On behalf of self AND household members
- Of financial interests (received direct payments) related to health or healthcare
- Of intellectual interests (no direct payments received) related to health or healthcare
- From the last 3 years

If in doubt, err on the side of full disclosure.

Acknowledgement and Transparency

To maintain transparency, all signed disclosures will be publicly available on ACP's website and a link to the disclosures will be included in each published work.
