The Honorable Mitch McConnell
Majority Leader
United States Senate
Washington, DC 20510

The Honorable Charles Schumer
Minority Leader
United States Senate
Washington, DC 20150

Dear Majority Leader McConnell and Minority Leader Schumer:

Our organizations, which represent more than 560,000 physicians and medical students, strongly urge the Senate to vote no on the Motion to Proceed on repealing, and/or repealing and replacing, the Affordable Care Act with any alternative that will roll back coverage and patient protections and eliminate access to care for tens of millions of patients. This is dangerous and unacceptable. We urge the Senate to continue to work with our organizations to achieve real bipartisan solutions that bring affordability, access, and coverage to all.

Sincerely,
