

Dear Colleague,

If you haven't already registered, I invite you to register for the upcoming Myanmar Internal Medicine Society conference in conjunction with AFIM and ACP Southeast Asian Chapter, taking place on September 29 - October 1, 2017 at the Hotel Melia Yangon in Myanmar. In addition to the networking and collegiality offered by our meeting, it is also a valuable learning opportunity. The theme of the conference will be "Broaden Horizons by Harmonization".
