Welcome to the ACP Ontario Chapter Annual Scientific Meeting! This meeting offers a diverse program of educational events featuring a variety of topics, networking opportunities, poster presentations and the famous Doctor’s Dilemma competition! This year we are pleased to again offer a simulation session for residents, students and for faculty. I hope to have the opportunity to personally greet you over the course of the meeting.

Dr. Irene Hramiak, Governor, ACP Ontario Chapter

Friday, November 04, 2016

4:00-6:00pm  
ACP-MCMASTER SIMULATION LAB  
(Pre-registrants only; please arrive by 3:15pm; Trillium A Ballroom)

- Obtain hands-on experience with point-of-care ultrasound
- Obtain hands-on experience in performing procedural skills
- Develop and practice a basic approach to Code Blue management

6:30pm  
WELCOME DINNER AND SYMPOSIUM  
(Trillium BC Ballroom)

7:00-8:00pm  
MultiDisciplinary Diabetes Debate: A Meeting of the Minds  
Dr. Alice Cheng; Dr. Kim Connelly; Dr. Phil McFarlane; Moderator: Dr. Peter Lin

- Describe the results of recent positive cardiovascular outcome trials (CVOTs) in diabetes from the perspectives of endocrinology, cardiology and nephrology
- Discuss potential mechanisms of action to explain the results of these CVOTs
- Utilize a multidisciplinary approach in the management of type 2 diabetes

This event is an accredited group learning activity under Section 1 as defined by the Royal College of Physicians & Surgeons of Canada for the Maintenance of Certification program. It is approved by the Canadian Society of Endocrinology and Metabolism for a maximum of 1 credit. This program was co-developed with the Canadian Society of Endocrinology and Metabolism, and Boehringer Ingelheim Eli Lilly Alliance and was planned to ensure the evidence presented is valid, objective and balanced. Through an agreement between the Royal College of Physicians and Surgeons of Canada and the American Medical Association, physicians may convert Royal College MOC credits to AMA PRA Category 1 Credits™. Information on the process to convert Royal College MOC credit to AMA credit can be found at www.ama-assn.org/go/internationalcme. Live educational activities, occurring in Canada, recognized by the Royal College of Physicians and Surgeons of Canada as Accredited Group Learning Activities (Section 1) are deemed by the European Union of Medical Specialists (UEMS) eligible for ECMEC®.

8:00-9:00pm  
POSTER COMPETITION  
(Foyer)

9:15-10:15pm  
RESIDENT/STUDENT MEET & GREET  
(Muskoka Room, 2nd Floor)

Join us at this unique networking opportunity! Open to all trainees.
SESSION 1

7:00am BREAKFAST OPENS
7:30-8:30 am BREAKFAST SYMPOSIUM
8:45-10:15 am SHOULD GUIDELINES CHANGE IN RESPONSE TO RECENT TRIALS
   • Share the data from some recently completed large clinical trials in the areas of Diabetes, Hypertension, and Hyperlipidemia
   • Examine whether the scientific evidence is strong enough that the guidelines in these areas should be changed in response to this data
     ▪ SPRINT Trial – Dr. George Dresser, UWO
     ▪ EMPA – REG Trial – Dr. Phil McFarlane, University of Toronto
     ▪ PCSK 9 Trials – Dr. Tisha Joy, UWO
       • Examine data from PCSK9 inhibitor clinical trials
       • Discuss how this data could impact clinical care
10:15-10:45 am Networking Break and Viewing of Exhibits

SESSION 2

10:45 am Presentation of the ACP Ontario Laureate Awards
   Laureate Award for Distinguished Service – Dr. Ameen Patel, McMaster University
   Laureate Award for Research Excellence – Dr. Gordon Guyatt, McMaster University
11:00-11:30 am LAUREATE LECTURE – How Clinical Practice Guidelines (and Up-to-date and DynaMed) Grade their Recommendations – Dr. Gordon Guyatt, McMaster University
   • Understand how clinical practice guidelines rate quality of evidence using the GRADE system
   • Understand how clinical practice guidelines grade the strength of their recommendations using the GRADE system
11:30 am-12:30 pm KEYNOTE LECTURE: Be part of the conversation: Social media for internists – Dr. Rodrigo Cavalcanti, University of Toronto
   • Understand the main platforms in social media and their potential uses
   • Identify risks and benefits of having a professional presence in social media
   • Formulate a personal social media engagement strategy
12:30-1:30 pm LUNCH SYMPOSIUM

SESSION 3

1:45-2:45 pm Physician-Assisted Death: Perspective from the Courts to the College – Dr. Sharon Koivu, UWO
   • Analyse, compare and contrast the relevant recent decisions involving Physician-Assisted Death: The Supreme Court Of Canada and Federal Legislation
   • Examine the position of the CPSO on patients and physicians in Ontario
   • Reflect on and acknowledge personal and professional impact of PAD
2:45-3:15 pm Recommendations for the Treatment of Systemic Lupus Erythematosus – Dr. Janet Pope, UWO
   • Understand the complexity of SLE with respect to multi-system involvement
   • Be aware of new advances in the management of SLE
   • Understand why in trials it may be difficult to ascertain effective treatment in SLE
3:15-3:45 pm  CLINICAL VIGNETTES ORAL PRESENTATIONS
- Dr. Tooba Ali, McMaster University
- Dr. Anna Liu, University of Toronto
- Dr. Natalie Szpakowski, University of Toronto

3:45-4:15 pm  DOCTOR’S DILEMMA COMPETITION – McMaster versus UWO!

4:15-4:45 pm  CLOSING RECEPTION

Program subject to change

ACP Laureate Awards

The Laureate Award honours those Fellows of the American College of Physicians who have demonstrated, by their example and conduct, an abiding commitment to excellence in medical care, education or research and service to the community and to the ACP. This award is the most prestigious honor bestowed to a chapter member in Ontario.

Awards are presented at the annual meeting of the Ontario Chapter. Potential awardees may be nominated by any member of the Ontario Chapter. It is expected that awardees will be senior physicians, those being Fellows for at least 15 to 20 years with a long history of excellence and peer approval in the specialty of internal medicine.

In Ontario, we have bestowed two Laureate Awards. One is primarily focused for a recipient who has provided distinguished service to the Chapter and to the ACP. The other is to recognize outstanding academic distinction.

Congratulations to this year’s awardees Dr. Gordon Guyatt, FACP, for his outstanding research contributions and Dr. Ameen Patel, FACP, for distinguished service.

Dr. Ameen Patel

Dr. Gordon Guyatt

YOUR FEEDBACK IS VITAL!
What topics would you like to learn more about? Help shape future conferences and share your thoughts on this year’s conference. Please complete your electronic evaluation forms which will be emailed to you!

OVERALL LEARNING OBJECTIVES
- Deliver new and up-to-date information on a variety of topics of interest to general internists as well as other specialists
- Offer an opportunity to network with colleagues and ACP members.
- Provide residents and medical students an opportunity to network and present their clinical and research findings.

MAINTENANCE OF CERTIFICATION
This event is an Accredited Group Learning Activity (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada. This activity was approved by the Canadian Society of Internal Medicine. Through an agreement between the American Medical Association and the Royal College of Physicians and Surgeons of Canada, the Canadian Society of Internal Medicine has designated this live educational activity, “ACP Ontario Chapter Annual Scientific Meeting 2016”, for a maximum of 6 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
