## MESSAGE FROM GOVERNOR

Dear Colleagues,  
Season's Greetings!

It is great feeling to share with you all that me and my council is completing two years in office as Governor, India chapter and advisory council. It seems time has flown with jet speed. My endeavour remained to keep you updated in these two years. I also tried for professional upgradation of all categories of membership by their participation in various activities may it be Doctor's dilemma, best thesis award, best publication award, free paper sessions, collaborative research, public health project with rotary foundation, ECP case files, webinars, workshops & many physical symposia in addition to grand annual conference.

Collaborative research is an area in which we wish your more participation. Recently we have got ethical approval for two projects for data collection. One is prevalence of anemia in physician's clinic and another is prevalence of sub clinical hypothyroidism in patients with diabetes. Although an overwhelming response is there but I want more participation from all members.

We have announced our annual conference at Bhubaneswar, Odisha this year at Hotel Vivanta by Taj on 22, 23 & 24th of September 2023. Kindly block these dates in your calendar. Do join us there. Early bird registration is already on. On occasion of Ramnavmi, Easter & Ramadan a special discount is being offered till 22nd of April 2023 which you can avail following a link <https://www.imacpindia2023.com/registration.php>

If you visit conference website you can find guidelines for abstract submission in three categories like research paper presentation, Best publication presentation, clinical case presentation. For those who are submitting abstracts, there is special rate in group registration and it is very discounted. Please do explore our conference website <https://www.imacpindia2023.com/> Two best submissions in each category will get free local hospitality with two night stay and two other will be awarded Rs 15000/- only travel grant. Winner in each category shall be offered a travel support to annual conference at US in 2024. For academically & professionally active members we have more than 40 chapter awards which you can find on our website <https://www.acpindiachapter.org/> and apply for yourself or any body who is appropriate for the same. Apart from this lot more is there on <https://www.acponline.org/>. Do visit this website to renew your membership every year. You can also know about multiple benefits of being ACP member like free access of Annals, MKSAPS & DynaMed for your clinical upgradation finding the unanswered queries. If you have completed 3 years of your membership, you can apply for Fellow of ACP which is an honorific suffix FACP.

Elections for Governor elect are announced. All those who are FACP or MACP can apply for coveted post by sending your application to our Chair Local Nomination Committee (CLNC) Dr A. Muruganathan on or before 12th April 2023. You must have received a mail from me on 15TH March 2023 in this regard. If you find any body eligible for this coveted post, you can suggest his/her name to CLNC writing a mail [a.muruganathan@gmail.com](mailto:a.muruganathan@gmail.com). I request female fellows also to participate enthusiastically. I encourage all eligible candidates to apply for the post of Governor elect if they are interested.

Last week of April, many of us are meeting at Sandiego for annual conference of Internal Medicine there. My heartiest congratulations to all those who are participating in Convocation being elevated as Fellow or being invited as Chapter Awardee. Winners of free paper session, best publication & clinical case presentations in 7TH Annual conference at Vizag are being sponsored their travel to Sandiego by India chapter. I am proud to announce their name as Dr Sushrut Ingawale from Mumbai, Dr Memansa Jindal from Delhi, Dr Megha Sridhar from Bengaluru. I am proud to share 59 ACP members are registered this year for annual conference at San Diego out of which 55 are travelling physically there and four shall attend virtually.

All those who are travelling to Sandiego are invited to join our chapter reception on 28th April 2023 at 6.30PM to 8.30PM at Hotel Marriott Marquis San Diego Marina in Marriott Grand Ballroom, Section 2.

Looking forward to see you San Diego & Bhubaneshwar.

Best wishes

Anuj Maheshwari,  
Governor

## EDITORIAL

ACP India chapter wishes everyone a Happy Ramnavmi, Ramadan and Easter filled with new hopes joy and enthusiasm. Under the able guidance of our Governor Prof Anuj Maheshwari, ACP India chapter has gained many heights from increased membership to GOLD Excellence Award.

Various CME and Workshop were conducted on topics on Internal Medicine. New Projects got approved and were started. State of Health Survey was Pan India study conducted under leadership of our Governor Anuj Maheshwari and Well being Champions Prof Dr LS Sreemurthy and Prof Dr Anubha Srivastava. The Poster of this survey will be presented by Prof Anuj Maheshwari and Prof LS Sreemurthy at ACP Annual Conference at San Deigo this year.

ACP India Chapter first announced 8<sup>th</sup> IM ACP INDIA at Bhubaneshwar on 22<sup>nd</sup>, 23<sup>rd</sup>, 24<sup>th</sup> September 2023 under leadership of our Governor Prof Anuj Maheshwari, Prof Jayant Panda as Organising Chairperson and Dr Anil Varmani as Scientific Chairperson.

Best wishes to all the winners of ACP India Chapter 2023 at Vizag for ACP Conference at San Diego CA, April 27-29, 2023

*Anubha Srivastava*

## ACADEMIC ACTIVITIES:

Covid diabetes study has been published in Journal of Diabetes, Metabolic disorders & control.

EC Approval of "ACP Anemia in patients visiting physicians clinic" & "ACP Subclinical Hypothyroidism in T2DM."

Dear ACP Members,

Thank you to those who have expressed interest in participating in the real-world research studies. Basis this expression of interest we shall be moving forward to the Ethics approval phase. Once we receive approval, we shall be getting in touch with you with the next steps.

To those who have not been able to, we are still open to receiving registrations. To make it more convenient, the form now allows for a digital signatures. Now you can open the phone and sign using your finger.

we are pleased to present not just one but two collaborative research opportunities that are open to all ACP members to join and be part of these are prospective observational studies that aim to collect structured clinical data from patients

seeking routine care and consultation. The topics identified are -

**1. Prevalence of Anemia in patients visiting a Physician clinic in India.** The supervisors for this study are Dr Divya Saxena & Dr Jalees Fatima

**2. Prevalence of Subclinical hypothyroidism in Indian patients with Type 2 diabetes mellitus - a real-world multi-centric study.** The supervisors for this study are Dr Mukhyaprana Prabhu & Dr Swati Srivastava

We are honoured to invite you to join these studies. Please note that these research projects are RWE research studies; your regular practice will receive minimal disruption and complete training and support will be provided by our technology partner team. You may be a part of one or both studies.

3. Click on the Form to fill in the details. <https://zfrmz.in/2TyySWHRaVfhuDuCGykm>
4. Please tick on study or studies that you are interested in taking part.
5. Do an E- sign in the space provided.

We are looking forward to your enthusiastic support and participation in making these research initiatives a grand success.

**ACADEMIC ACTIVITIES:**

Dr Swati Srivastava, Chair Students Committee, along with other members of the student council participated

ACP India chapter participated in 2 international students Collaboration meeting held on 12th February and 5th March 2023 hosted by Japan Chapter

### Research Paper Writing Workshop

The aim of this workshop is to introduce participants to the importance of, goals of, and value in writing case reports. Junior participants will gain skills in crafting case reports. Senior faculty will learn approaches to identifying high-impact case reports and mentoring learners through the process. Faculty and learners will engage interactively in this workshop to practice case report writing skills with the aim of submitting a written case report for publication.

During this session, participants will engage with the presenters through:

- didactics discussing current literature on the value and educational benefits of writing case reports for medical trainees
- discussion of strategies on mentoring learners in writing and presenting in regional and national meetings, and subsequently
- small group breakouts to actively develop strategies to publish case reports in peer-reviewed journals and newsletters

**Why should you join the Workshop??**

Registered attendees shall get certificates from ACP
