## MESSAGE FROM GOVERNOR

Dear Colleagues,

Season's Greetings !

Hope you must be best in your health & spirit. I believe you must have done your membership renewal by this time. If not done yet, please do it earliest. It adds strength to our chapter. Please motivate your physician friends, residents & medical students to join ACP. We look forward your active participation in ACP activities for health care & health care professionals in India.

Last year we had IRIS project for women's health in collaboration with Rotary India Humanity Foundation which had its program on multiple sites in India including Lucknow, Noida, Greater Noida, in Uttar Pradesh, Sonapat in Haryana, Kolkata, Siliguri, and 24 pargana district of West Bengal, Ernaculam district in Kerala. I am grateful of Dr Amit Gupta, Dr Divya Saxena, Dr Saurabh Srivastava, Dr Supratik Bhattacharya, Dr Sirshendu Pal, Dr Vinayak Hiremath for their dedication to this project of Women's Health.

In same way this year we are planning a program on adult immunization in India. ACP India chapter shall organize train the trainer program for doctors and other health care professionals, Public awareness programs regarding adult immunization, online CMEs for the same. Dr Abhishek Arun Jaiswal will coordinate this program nationwide. If you have some suggestions for this program you can write to [dr.abhishekarun@gmail.com](mailto:dr.abhishekarun@gmail.com).

Another online program on wellbeing of Clinicians & other health care professionals is being designed by Dr Ajoy Tewari joint secretary in Governor's Advisory council on behalf of ACP India chapter. Soon you will know about content & schedule of this series on wellbeing including speakers from various parts of world.

Soon we are coming up with a series of learning modules on hypercholesterolemia in four parts. Each module will consist of one deliberation by foreign speaker followed by Indian perspective by Indian speaker. First module is scheduled for 14<sup>th</sup> July 2023 for which Dr Micheal Jakoby, Professor of Endocrinology at SIU School of medicine, University of Illinois at springfield and Dr SN Narasingan, Vice President of Lipid Association of India at Chennai has agreed. 2<sup>nd</sup> module will come to you on 18<sup>th</sup> August 2023 for which Prof. Fausto J. Pinto, Director Professor Cardiology at University of Lisbon and Past President of European Society of Cardiology has agreed. So, stay connected for many more such programs. Add more clinicians with American College of Physicians.

All those members who has completed 3 years of their continuous membership, they can apply for FACP. It will be granted after going through their credentials. All those who won this honorific title in last one year after last chapter conference shall be felicitated in Bhuvanewar with chapter awardees.

This year our annual conference of India chapter is being held at Bhubaneswar on 22, 23 & 24 September 2023. All of you are requested to attend this meeting. It is also available virtually if any body can not come physically. <https://imacpindia2023.com/registration.php>

As an encouragement to UG medical students we have slashed down registration prices to 5500/- +18% GST if they submit abstract in any category. [https://imacpindia2023.com/abstract\\_details.php](https://imacpindia2023.com/abstract_details.php)

Still, we have not received enough entries for Best Thesis Award for this year so we are increasing the time line only for this award so that we can get some more submissions. I request you to get submitted those theses for this award which you think could be award winning.

Results of various collaborative research are underway. They will be presented full or interim in annual conference at Bhubaneswar.

I encourage you to submit abstract in any of three categories like research paper presentation, Best publication presentation, clinical case presentation. Last date of submission is 16<sup>th</sup> August 2023. You still have enough time to submit quality abstracts. For those who are submitting abstracts, it is not only the discount in registration amount but also two best submissions in each category can get free local hospitality with two night stay and two other will be awarded Rs 15000/- only for travel grant. Winner in each category shall be offered a travel support in economy fare to attend annual conference at Boston, US in April 2024 if they do registration for conference & get VISA to US.

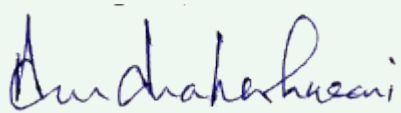

Soon you will start receiving communications for election of Governor elect. I appeal all eligible members to participate & vote so chapter can get a most eligible Governor elect in coming days.

India chapter council election is also due now. You may receive information any day. I request you to participate in both Governor's council election as well as election for Governor elect.

I am happy to share you that we had a lovely experience at San Diego during ACP annual conference of Internal Medicine. More than 50 delegates from India travelled and attended conference. We had great memories of convocation & India chapter reception their apart from high class scientific program. Sharing those memories in this newsletter. Hope they will be encouraging you to attend annual conference at Boston.

Keep serving, keep safe & keep enjoying life. Looking forward to see you at Bhubaneswar soon.

Best wishes

**Prof. Anuj Maheshwari**

*Governor*

## FROM THE EDITOR'S DESK

It is my proud privilege to write the editorial of the April to June newsletter; the quarter buzzing with activities. The highlight was the participation at annual IM ACP conference at San Diego and well attended ACP heart failure conclave at Lucknow.

ACP India Chapter Anaemia and Subclinical hypothyroidism studies are reaching their completion. They will give insights in to their prevalence and suggest remedial measures.

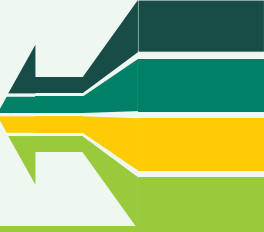

ACP India Chapter has taken rapid strides, in the academic field, its programs, being replicated by other academic bodies, creating new benchmarks every day.

Over the years, the American College of Physicians India Chapter has emerged at the forefront of academic and social initiatives. Its all about great leadership, great teams and meticulous execution.

Looking forward to a great IM ACP India Chapter Conference at Bhubaneswar.

# ACP India Chapter Research Paper Writing Workshop

The aim of this workshop is to introduce participants to the importance of, goals of, and value in writing case reports. Junior participants will gain skills in crafting case reports. Senior faculty will learn approaches to identifying high-yield case reports and mentoring learners through the process. Faculty and learners will engage interactively in this workshop to practice case report writing skills with the end goal of submitting a written case report for publication.

*During this session, participants will engage with the presenters through:*

- ➔ didactics discussing current literature on the value and educational benefits of writing case reports for medical trainees
- ➔ discussion of strategies on mentoring learners in writing and presenting in regional and national meetings, and subsequently
- ➔ small group breakouts to actively develop strategies to publish case reports in peer-reviewed journals and newsletters

**Why should  
you join  
the Workshop??**

We are now faced with the fact that tomorrow is today. We are confronted with the fierce urgency of now. In this unfolding conundrum of life and history, there “is” such a thing as being too late. This is no time for apathy or complacency. This is a time for vigorous and positive action.

### Governor Welcome Message

Dear Friends,

Welcome to 8<sup>th</sup> Annual Meeting of the IM-ACP India 2023, from 22<sup>nd</sup> to 24<sup>th</sup> September 2023, Hotel Vivanta by TAJ, Bhubaneswar, Odisha.

Bhubaneswar is an ancient city in India's eastern state of Odisha, formerly Orissa. Many temples built from sandstone are dotted around Bindu Sagar Lake in the old city, including the 11th-century Hindu Lingaraja Temple. Outside Rajarani Temple are sculpted figures of the guardians of the 8 cardinal and ordinal directions. Jain antiques, weaponry and indigenous pattachitra paintings fill the Odisha State Museum

After the grand success of IM-ACP 2022 We're excited to come together again and to host a hybrid meeting with both physical and virtual attendance option. This time we are bringing expert faculty from across the country and around the world. You will also get exceptional educational experience and chance to interact with the experts in this conference.

ACP India Chapter 2023 targeting to have more than 1500 plus physicians and specialists

We hope you find Internal Medicine Meeting 2023 professionally and personally rewarding!.

With best wishes!

Prof Anuj Maheshwari  
 Governor

Prof Jayant Panda
