California Southern Region I, Region II, and Region III

2024 ACP Southern California Chapters I, II & III

Resident/Fellow, Medical Student & Early Career Physician Poster Competition

October 5, 2024

Electronic posters will be accepted into one of three categories:

- (1) Clinical Vignettes - cases that illustrate a rare disease, or an unusual or interesting clinical presentation of an established disease entity
- (2) Research – clinical and/or lab research, delineating a new investigation into mechanisms of disease or a detailed review of a clinical problem
- (3) Innovation – area quality improvement, safety projects or other areas of innovation in healthcare.

Submission Information: The deadline to submit an electronic poster is **6:00 AM PST on Monday, August 26, 2024**. For questions contact Gus Chavez @ SoCalACP1@gmail.com. You will receive an email within 3 weeks after the submission deadline indicating whether your electronic poster has been accepted.

An announcement will be sent out once the online poster submission portal goes live.

- **All presentations will be in person during the meeting.**
- Specifications: A maximum of one poster per first author may be submitted.
- **No edits are allowed once the electronic posters are submitted.** Please ensure that all errors are corrected before submitting. It is highly recommended that a faculty mentor at your institution reviews your work prior to submission.
- **If the first author is not available to present the poster, then a co-author may do so; however, to qualify for an award, the alternate presenting author must be from the same training level and ACP chapter as the first author. Please inform the poster committee prior to the meeting of any substitutions.**
