

# CSIM Annual Meeting 2025

In collaboration with the

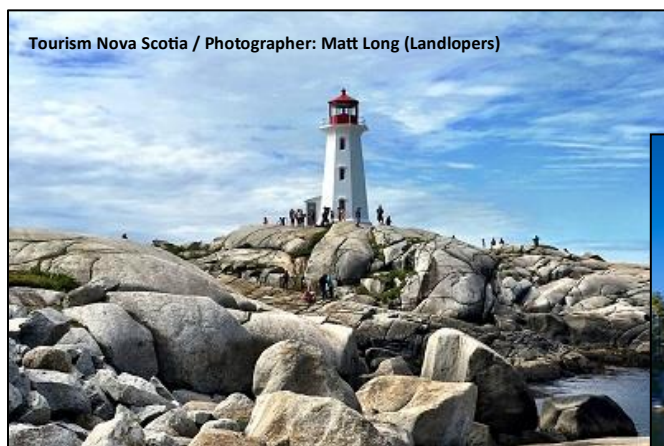

**ACP Atlantic Provinces Chapter**

**October 15-17, 2025**

**Halifax Convention Centre**

As internists and general internists responsible for delivering complex care to patients spanning the inpatient and ambulatory settings, issues of healthcare quality, patient safety, and stewardship of finite resources are core to our everyday practice.

Throughout this meeting, participants will hear from internationally recognized researchers, educators, and clinicians through a diverse program of workshops, plenary sessions, Top Five Papers, and more. These sessions aim to cover the most current topics and issues relevant to physicians in the field of General Internal Medicine.
