

2016 Annual Scientific Meeting

September 9 - 11, 2016
Ocean Reef Club ~ Key Largo, FL

Dear Colleagues,

Please make plans to join us at the next scientific meeting of the Florida Chapter of the American College of Physicians, September 9-11, 2016, at the Ocean Reef Club in Key Largo.

Take advantage of the Florida Chapter's rich resource of knowledge and networking by attending our premier meeting for general internists, subspecialty internists, hospitalists, as well as residents and medical students. This location provides the perfect opportunity to recharge, rewind, reflect, and reconnect with your peers and chapter leaders, and attend relevant lectures by great speakers.

The Chapter is happy to announce that in addition to earning CME credits, MOC points are also available. For the first time ABIM has approved ACP chapters to offer MOC points with their CME. Please take advantage of this valuable opportunity to satisfy your state mandated CMEs, earn board mandated MOC points, as well as make valuable personal connections and get more involved in your ACP Chapter. The opportunities available at this meeting will help you meet not only your needs as a physician but also the needs of the patients you serve, while engaging with colleagues who know your challenges and can help you find solutions.

Convenient online registration will be opening soon, watch your email for further announcements.

We look forward to seeing you in Key Largo.

Sincerely,

Jason M. Goldman, MD FACP
ACP Governor, Florida Chapter
Education & Membership

John G. Langdon, MD FACP
President, ACP Governor, Florida Chapter

 Medicine and Clinical
 Practice***

Watch for Scientific Program Agenda and Registration information soon on the Chapter website.

18.25 CME Hours & 18.25 MOC Points

The American College of Physicians is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The American College of Physicians designates this live activity for a maximum of 18.25 *AMA PRA Category 1 credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 18.25 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
