To Quiz

Welcome to XXXX Chapter 2017 Meeting MOC Quiz

TO COMPLETE THE MODULE:
Answer each question by clicking on an answer option. Your response will be scored and you will be able to read a short critique explaining the correct answer. You can use the **"Previous"** and **"Next"** buttons above and below the question or the question index towards the top of the page to navigate through the module. After you select an answer option, your response is saved in a browser cookie. You will be able to leave the module and return later without losing your progress. However, in order to resume progress on a partially-completed module, you must use the same computer for each subsequent visit. Please avoid deleting the cookie from your browser until you have completed the module and/or applied for MOC credit as this will delete all of your responses.

TO APPLY FOR MOC CREDIT:
Once you have answered every question, click on **"Review Your Results"** to see your score. If you have achieved a score of **60%** or better, enter the required information and click **"Submit to ABIM"** to submit your data for review. *Please allow 3 business days for the credits to appear on your ABIM transcript.*

TO RESET THE MODULE:
In the event that you would like to take the module again (for example, if you did not achieve a score of 60%), click the button labeled **"Reset Answers & Restart Module"** at the bottom of the **"Review Your Results"** screen. Please note that this will reset **ALL** of your answers.
You must achieve a score of 60% to submit for MOC credit.

Follow the instructions to complete the quiz. When you score 60% or above, you will be prompted to enter your ABIM number* and some personal information. You can then submit for MOC points.

You may take the quiz as often as necessary to obtain a score of 60% or greater.

When you submit for MOC points, your information will automatically transfer to the ACCME database and then to the ABIM. The ABIM will add the points to your MOC transcript within 3 days of your submission.

For questions about the ABIM Maintenance of Certification program, or your ABIM MOC transcript, please contact the ABIM directly.

DEADLINE: MOC Points must be claimed by March 29, 2018

*To locate your ABIM number, please go to: https://www.abim.org/ONLINE/findcand.aspx
