

2024 Legislative Priorities

- 1. Advocacy to provide greater access to care, with an increased number of Georgians eligible for Insurance Coverage to include Medicaid coverage.**
- 2. Leverage state funds, with greater Medicaid parity to Medicare reimbursement for increased access to physician and other health care professionals.**
- 3. Support legislation to improve access to Mental Health Care for Georgians.**
- 4. Support Health Insurance Legislation to support the patients and physicians in the provision of health care.**
- 5. Continue to monitor legislation on other priorities, to include Tobacco Tax, Scope of Practice and Network Adequacy and cost effective health care delivery.**
