STUDENTS AND RESIDENTS DAY**

ORAL CLINICAL VIGNETTE COMPETITION

1. Participants must be ACP Illinois Downstate members in good standing.
2. Oral Clinical Vignette Abstract may NOT be used for the Poster Presentation Abstract.
3. **Two** residents from each of the three Downstate Illinois Internal Medicine residency programs will be selected by their program to present an **oral clinical vignette**. Presenters must be PGY-2 or PGY-3.
4. **ACP Definition:** *A clinical vignette is a report of one or more cases that illustrates a new disease entity, or a prominent or unusual clinical feature of an established disease. It may include a summary of pertinent patient history, physical findings, laboratory data, or management description.*
5. Oral Vignette abstract submissions are due on **August 28, 2020**. **NO LATE ENTRIES**. Abstracts must be prepared as directed and submitted to colleenkeekuacp@gmail.com in a Word Document. Abstracts may not exceed 450 words.
6. Oral Vignette cases may NOT be presented as posters at the same meeting.
7. Vignettes may be up to five minutes in length, and may be followed by up to an additional three minutes for audience questions (total presentation and discussion= 8 minutes). More information will be given on how to submit your virtual presentation.
8. For additional resources related to preparing an abstract and tips for the oral presentation, visit the College's website: <https://www.acponline.org/membership/residents/competitions-awards/acp-national-abstract-competition> Specific information at this site is related to the National meeting, however, resources related to preparation are applicable to the Chapter meeting.
