

ACP MEMBERS are invited
to a complimentary dinner and financial seminar on
MAY 8, 2018
DO's and Don'ts of Doctor Dollars
hosted by Mass Mutual and Fifth Third Bank

A DISCUSSION ABOUT THE POTENTIAL FINANCIAL IMPLICATIONS OF PRACTICING MEDICINE.

Residency sharpened your clinical knowledge and gave you the expertise to practice medicine, but did it hone your financial skills?

Successful physicians need an increasingly wide range of knowledge and skills to meet the challenges presented by practicing medicine today.

This informational event will help give you:

1. An overview of what financial planning looks like
2. Benefits of homeownership
3. Strategies to protect one's most valueable asset
4. How Fifth Third Bank's Physician loans help doctors buy a home sooner than later
5. Tax advantaged retirement planning

Tuesday, May 8th
6:30pm-8:00pm
