INSTRUCTIONS FOR PARTICIPATION
ACP INDIANA EARLY CAREER, RESIDENT & MEDICAL STUDENT
POSTER COMPETITION

1. Abstracts are due on **August 30, 2026**. **NO LATE ENTRIES**. Abstracts must be prepared as directed and submitted using the online submission link. Abstracts may not be longer than 500 words (not including title or authors). References are included in the 500 word limit.
2. Each person may submit no more than one abstract to each category, with a maximum of two total submissions (e.g., one may submit one to Clinical Vignette and one to the Other category, or any other combination of two categories).
3. Abstract guidelines and additional abstract resources can be found on the College's website:
http://www.acponline.org/education_recertification/education/program_directors/abstracts/#chapter
http://www.acponline.org/residents_fellows/competitions/abstract/prepare/
4. The first author of the abstract must be an ACP member, and a medical student or RFM at an Indiana medical school or internal medicine residency currently enrolled in a program. Faculty cannot serve as first authors for a RFM or medical student abstract as the primary purpose of this activity is to showcase resident/student scholarly activity. ACP Early Career Physicians must be current ACP Members.
5. Original abstracts that either have or have not been presented at other meetings (including ACP chapters/Regions) will be considered. Abstracts previously submitted to the National Meeting are not eligible and are subject to disqualification.
6. Presentation of original work at the ACP meeting may, however, jeopardize presentation before another society. Abstracts are eligible if they have been published; however, the resident should notify the journal that the material is being presented at the ACP Chapter meeting.

ABSTRACTS ARE DUE BY August 30, 2026 (NO LATE ENTRIES)
