We are pleased to let you know that our collaboration with the DC and Virginia Chapters along with the national ACP is continuing for 2023.

The first workshop in a series of at least four workshops is entitled:

***"Did they just say that?" How to handle patient and physician
macro/microaggressions***

Free webinar: Wednesday, February 8, 2023, 7:00-8:00 PM on Zoom

The workshop will feature 4 real life scenarios by DEI committee members. After each scenario is presented, a DEI spokesperson will have the audience say what they will do in the same situation and lead in the discussion. Tools to aid for use at your clinics, offices and communities when confronted by micro and macro-aggressions from patients and colleagues will also be provided.

We hope to see you there!
