

Congratulations to the **Maine Chapter Governor-elect** (GE), Stephen R. Hayes, MD, MACP. Our new GE will complete a year of training as a **Governor-elect** and then will start his four-year term as **Governor** in the Spring of 2022.

**Dr. Hayes' Bio:**

**Medical School Education:** University of Rochester

**Post-Doctoral Training:** Residency and Chief Residency, University of Virginia; Primary Care IM Program, University of Rochester

**Board Certifications:** ABIM 1987

**Present Employment Position:** Attending Physician, Maine Medical Center

**ACP Chapter and Leadership Activities:** Coordinator, Resident Clinical Vignette Presentations, Chapter Meetings since 1995

**ACP National Activities:** Mastership 2019; Fellowship 2009; Winner, Laureate Award 2013

**Other Appointments/Activities:** Member, Board of Directors, Maine Medical Partners (MMP); Chair, Clinical Standards Committee, MMP; Member,

Informatics Committee, MMP; Volunteer Physician, Portland Free Clinic since 1995; Member, Literature and Medicine Steering Committee. Maine Medical Center since 2009; Board Member, Maine Humanities Council 2012-2020

**Areas of Professional Interest and Expertise:** I am interested in preventive medicine and vaccine practices and policies. I am involved in the clinical education of residents and medical students, and have been active in the Introduction to Clinical Reasoning Course for Tufts University 2nd year medical students. I am interested in the application of the humanities to medical education and practice and have been involved in the Literature and Medicine and Art and Medicine Programs at Maine Medical Center.
