For those unable to join us in person, the meeting will also be available virtually.

This signature event is the perfect opportunity to **recharge, reconnect, and reflect** with peers, chapter leaders, and inspiring speakers. Whether you are a general internist, subspecialist, hospitalist, allied health professional, resident, or medical student, this meeting offers high-quality education, opportunities to earn CME credits and MOC points, and meaningful networking.

You'll engage with colleagues who understand your challenges and can offer fresh perspectives and practical solutions. Beyond the sessions, this conference is about building relationships, sharing experiences, and becoming more involved in our vibrant chapter community.

We're proud to continue our collaboration with the **Society of Hospital Medicine Michigan Chapter** at this year's meeting!
