CME Accreditation

The American College of Physicians (ACP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The ACP designates this other activity (live component and enduring component) for a maximum 16.5 *AMA PRA Category 1 Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

How Do I Receive My CME Documentation?

The website for claiming CME credit will be available after the conclusion of the meeting on October 25th. You will need to complete the online survey about the meeting before you will be able to claim your CME and MOC. Go to https://online2.snapsurveys.com/jkewrp. Log in with your ACPOnline.org username and password. Your name and ACP number will automatically appear in the form, but you will need to enter your email address. Choose the Michigan Chapter meeting, enter the number of CME credits you are claiming for the meeting (You cannot claim concurrent CME) and click "Submit for Credits". You will receive an email confirmation of your CME credit claim. Any questions, please call ACP Customer Service at 1-800-523-1546, x2600 or 215-351-2600.

Pathways to Fellowship

Attendance at Chapter meetings can help all ACP members meet the qualifications for advancement to Fellowship. It is especially important for those applying under the pathway, which requires being a member in good standing for at least three years since completion of residency training.

Attendance at Chapter meetings can help SHM members meet the requirements to achieve the Fellow and Senior Fellow designations. A minimum of three years as a member of SHM is required.

Chapter Excellence Award

The Michigan Chapter ACP is a Chapter Excellence Gold Award Recipient. The Chapter Excellence Award recognizes those chapters that excel in reaching the standards for managing a chapter, such as communicating to members, instituting Medical Students and Residents activities and advancing and recruiting members. For 2026, the Michigan Chapter ACP received the Gold Chapter Excellence Award.

The Society of Hospital Medicine (SHM) honors outstanding chapters each year through its annual awards program, recognizing those that demonstrate exceptional growth, sustainability, and innovation in their activities. For 2026, SHM is proud to recognize the Michigan Chapter the Platinum Status Award.

ACP Membership

Join ACP Today! The American College of Physicians (ACP) is a diverse community of 162,000 internal medicine physicians, subspecialists, residents, fellows, and medical students worldwide. Join us to advance your career and the internal medicine profession. Proud to be the professional home, representing all of Internal Medicine. Click here to learn more about ACP membership.

SHM Membership

Not a SHM Member? Join the first and only association dedicated to advancing the field of hospital medicine. When you join SHM, not only will you gain a home, but you will also become a part of a larger movement that impacts the lives of hospitalized patients worldwide through innovation and collaboration. Learn more about joining SHM today.

ACP Anti-Harassment Policy

ACP is a community that values collegiality, respect for patients and each other, and medicine's standards of ethics and professionalism. ACP members are guided by the content and spirit of the ACP Pledge and by their commitment to the ethics of medicine, including those in the ACP Ethics Manual. "Physicians' conduct as professionals and as individuals should merit the respect of the community."

ACP expects members, staff, and others who participate in events and activities involving ACP to treat others as you would like to be treated – with courtesy, respect for differences, and in ways that appropriately represent the profession of internal medicine.

As set forth in ACP's Anti-Harassment Policy, ACP does not tolerate any form of harassment, including intimidation, hostility, or other unwelcome and offensive communication or treatment.

If you experience or observe harassing, inappropriate or otherwise unprofessional behavior, or you have concerns about how you have been treated by an ACP member or staff or anyone else at an ACP meeting or event, you may report the incident to acpevents@acponline.org or call 215-351-7750.

Awards

It is with distinct pleasure that the Michigan Chapter presents this year's Laureate Awards and Chapter Awards. Laureate Award winners are long-standing and loyal supporters of the College who have rendered distinguished service to their chapters and community and have upheld the high ideals and professional standards for which the College is known. Society of Hospital Medicine - Michigan Chapter Awards

The SHM Michigan Chapter will select 1st, 2nd, and 3rd place Resident winners and a 1st place Medical Student winner.

The 1st place Resident winner will receive complimentary registration and up to $2500 in travel-related expenses to present and attend SHM's annual conference, Converge, taking place March 30 - April 2, 2027 in Las Vegas, NV.

All winners, including 1st, 2nd, and 3rd place Residents and the 1st place Medical Student are required to submit their abstracts to the SHM National Scientific Abstract Submission site by the November 2026 deadline in order to be accepted. The 1st place Resident winner will receive automatic acceptance. The 2nd and 3rd place Resident winners and 1st place Medical Student's abstracts will be reviewed for acceptance into the competition. If accepted, the 2nd and 3rd place Resident winners will receive up to $1,000 in paid expenses towards SHM Converge 2027. If accepted, the 1st place Medical Student will receive up to $2,500 in paid expenses towards SHM Converge 2027.

Wellness Session - Sound Bath: Deep Rest and Gentle Restoration

Friday, October 23, 2026 • 3:15 - 4:15PM
No Additional Fee, Limited Space Available, Pre-Registration Required
Kara Markovich, Sound Therapist

Take a pause from the pace of the conference and settle into an immersive Sound Bath Session designed to support deep rest, nervous system regulation, and gentle restoration. Through soothing tones, vibrations, and guided relaxation, this experience offers an opportunity to quiet the mind, release tension, and reconnect with a sense of calm.

No experience is necessary - simply get comfortable, settle in, and allow the sounds to create space for rest and renewal. Come as you are and leave feeling refreshed, grounded, and restored.

Registration is required, and there will be a wait list. You will be provided with additional details as the session approaches.
