WEBINAR

Strategies for the Delabeling of Penicillin Allergies

Tuesday, May 6th, 2025
6:00PM

This webinar has been designated for 1.0 AMA PRA Category 1 Credit(s)[™] and 1.0 MOC points.

OPEN TO ALL – NO FEE TO ATTEND

**PRESENTED BY: ERIC WALFORD, MD, ASSISTANT PROFESSOR,
DEPARTMENT OF INTERNAL MEDICINE, UNIVERSITY OF MICHIGAN**

ABOUT THE SESSION

This session will consider different strategies for delabeling penicillin allergies, with focus on direct oral challenges testing in the outpatient setting. Additionally, we will discuss practical steps for initiating a direct oral challenge penicillin testing program. The session will also discuss basic physiology and importance of penicillin allergies.

GET TO KNOW THE PRESENTER

Dr. Eric Walford is a general internist practicing primary care in southeast Michigan. He has an interest in delabeling of penicillin allergies amongst primary care patients and has started multiple penicillin allergy delabeling programs at the University of Michigan.

CME INFORMATION

The American College of Physicians (ACP) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The ACP designates this other activity (live component and enduring component) for a maximum 1.0 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
