## Ask the Residents: Advice on Putting Together a Case Report

Wednesday, July 10, 2024  
6:00-7:00PM

### INFO

Prepare to submit your case report for the MI-ACP and SHM-MI 2024 Annual Scientific Meeting by joining this session led by the Fellow, Resident and Medical Student Committee! This webinar will cover all essential aspects, from tips on selecting an appropriate case to guidance on writing and formatting your report for submission. This session is meant to be an open forum giving you the opportunity to ask questions and get advice from residents who have been there.

You will be provided with a checklist and other resources to assist with your submission.
