

# **MI-ACP and MDHHS Public Health Grand Rounds - From Policy to Practice: What Internists Need to Know About the Latest Vaccine Recommendations**

*Presented in conjunction with the Michigan Department of Health & Human Services*

► **Thursday, September 11, 2025 • 12:00pm**

**Open to All – No Fee Required**

## **Why Attend?**

This timely session will provide internal medicine physicians with critical updates on vaccination rates across the state, highlighting progress, disparities, and ongoing public health efforts to improve immunization coverage. Attendees will gain insights into state-level strategies aimed at increasing vaccine uptake and addressing barriers in diverse patient populations. In addition, we will explore the current work ACP is participating in at the National level regarding recent and pending legislation, regulatory updates, and the implications for clinical practice, patient access, and physician responsibilities. Attendees will leave with an up-to-date understanding of both the public health and policy contexts shaping vaccine administration in Michigan and beyond.

## **Presenters**

**Natasha Bagdasarian, MD, MPH, FIDSA, FACP**

Chief Medical Executive, State of Michigan;  
Adjunct Faculty, Department of Epidemiology, University of Michigan

**Shari M. Erickson, MPH**

Chief Advocacy Officer and Senior Vice President,  
Governmental Affairs and Public Policy  
American College of Physicians

## **CME Information**
