

COVID-19 Management

A national campaign to improve COVID-19 management in the outpatient setting.

Become an ACP Quality Champion and learn the skills to lead a quality improvement (QI) initiative to improve COVID-19 management in your practice!

[Apply Now](#) to receive:

High Quality Education

- Free registration to the [QI Champion Leadership Training Precourse](#) on April 26, 2023 in San Diego, CA (**\$400 value plus \$1,000 travel stipend for two members from your practice**)
- Access to the [ACP Advance QI Curriculum](#), [training videos](#), and tailored educational resources
- Earn CME/ABIM MOC credits

Free Virtual Coaching Support

ACP will connect you with expert physician coaches to help:

- Guide implementation of your QI initiative
- Engage your team and build capacity
- Promote clinician well-being and empowerment

Participation Requirements

- Complete QI training for two champions from your practice (physician and non-physician)
- Implement a QI initiative based on ACP Advance QI Curriculum (8-12 months)
- Participate in periodic coaching calls
- Report program outcomes to ACP
- Time commitment: 1-2 hours per month for 8-12 months

Professional Development

QI champions will be eligible to:

- Win ACP Quality Improvement Excellence award
- Present a poster at the national QI and Well-being Champion Reception
- Be featured in ACP publication or newsletter

*“Working with ACP has been a **great lightning rod of improvement for our organization**. The coaching calls were timely and very helpful in getting our program off the ground as well as sustaining it.”*

Drs. Asa Oxner, Lucy Guerra, and Andrew Myers

Deadline to Apply: March 1, 2023

Fill out the brief (5 minute) [online application](#). **Applicants will be considered on a first-come, first-served basis.**
