

North Carolina Chapter–ACP
2026 Annual Scientific Session
Resident and Medical Student Poster Competition
Submission Deadline: November 15, 2025

The online submission portal is now available to submit your abstract for the 2026 resident/fellow and medical student **Poster Competition**.

This is an excellent educational opportunity and a great way to showcase your work. Winners in each category (Clinical or Basic Research, Clinical Vignette, Quality Improvement, High Value Care, and Student) will receive a cash award of \$300 and reimbursement of travel expenses (up to \$1000) to present their poster at the ACP Internal Medicine Meeting 2026 in San Francisco, CA on April 16-18. The winner of Best Overall Poster should be one of the category winners and will also receive an additional cash award.

First authors of the posters must be members of ACP or have made official application for membership to enter this competition. Each abstract will undergo careful review and will be ranked for scientific merit, originality, proper presentation, and clinical application. To view ACP's guidelines and tips on preparing an abstract, click [here](#). Abstracts can only be submitted electronically online.

The deadline for submitting entries is **November 15, 2025**, at midnight.

We look forward to seeing you at the 2026 NC-ACP Annual Scientific Session, scheduled for February 20-22, 2026, at the Raleigh Crabtree Valley Marriott, in Raleigh, NC.
