**What is Leadership Day?**

Leadership Day is a two-day advocacy event that enables members from across the country to bring issues of concern to United States lawmakers. This is a great opportunity to voice policy priorities to Congress and try to influence the legislative process on behalf of internal medicine.

**Who can attend?**

Any ACP member may register to attend Leadership Day. All Nebraska ACP residents and medical students are encouraged to apply for a scholarship worth up to \$1500 to help pay related travel, hotel accommodations and other qualified expenses.

**What should I expect?**

- Attendees should plan Sunday, April 27, 2025 as a travel day.
- Monday, April 28, 2025 will consist of all participants receiving a comprehensive orientation and briefing on ACP's top legislative priorities. There are opportunities on this day to get to know ACP leaders and staff as well as internal medicine physicians who care about advocacy.
- Tuesday, April 29, 2025 will begin with detailed training about visits scheduled and often includes current members of the Senate or Congress as guests. This is followed by appointments in which NE ACP Leadership Day attendees meet with the Senators and Representatives from Nebraska (or their staff). This is an opportunity to voice concerns and issues important to the state of Nebraska related to health care.
- Return travel should be planned for the evening of April 29, 2025 or Wednesday, April 30, 2025
