***Mentorship & Sponsorship as Key Leadership Skills***

**Presented by Eileen Barrett, MD, MPH, SFHM, MACP,  
Chair, Board of Regents  
American College of Physicians**

Most of us have heard about mentorship and sponsorship, and fewer of us have received these in the way we've wanted to. Both are known to result in many positive outcomes professionally and personally - and both facilitate career acceleration for individuals at all stages in their careers. In this interactive session, we'll discuss both tips for fostering mentorship and sponsorship, and how each of us have a role in investing in all of us.
