Hospital Medicine 2021

Overview

Join us for the CME-certified, Hospital Medicine 2021 Virtual Symposium on August 5 & 6, 2021.

Why Attend?

- Hear from expert faculty addressing the most common inpatient conditions
- Learn best practices for improving the care of hospitalized patients
- Receive access to the faculty lecture recordings after the course
- Live Q&A panel discussions to supplement the virtual presentations
- Easy access - participate at your convenience from any location
- Earn CME and MOC points

Who Should Attend

Hospital medicine physicians, internal medicine physicians, family practice physician, physician assistants, nurse practitioners, nurses, fellows, residents and other healthcare professionals interested in hospital-based medicine.

After completing this course, participants will be able to:

- Identify the criteria for appropriate use of IV catheters, including the MAGIC guidelines and describe their best use in clinical practice.
- Describe the risks and management strategies for pulmonary disease complications in hospitalized patients.
- Summarize best practices for managing thromboembolism and stroke in hospitalized patients.
- Describe approaches for improving the care of hospitalized patients requiring dialysis, with acute kidney injury, or correction of electrolyte abnormalities.
- Summarize best practices for managing congestive heart failure and hypertension in hospitalized patients, and discuss the role of perioperative troponin assessment in the risk stratification of these patients.
- Describe effective pain management strategies and effective ways to prevent and treat acute delirium in hospitalized patients.

LIVE STREAM ACCESS

Access instructions will be emailed to participants by July 31, 2021, and again on August 4.

ACCREDITATION

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 10.50 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

American Board of Internal Medicine's Maintenance of Certification

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 10.5 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Other Health Care Professionals

A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

FACULTY DISCLOSURE

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.
